

Mandeville High School Robotics Team Booster Club

Student Information Release

Dear Parents and Guardians,

Federal and State laws require permission of a parent/guardian as it pertains to the release of their student's name, contact information, and limited identifying information when the information is to be shared with an organization external to a school system. This includes the Mandeville High School Robotics Team Booster Club, the organization that supports the robotics team financially and with volunteers. Information is shared with a limited number of people such as appropriate board members, committee chairs, volunteers, chaperones, and other deemed appropriate by the robotics sponsor.

What information is shared?

- Student and apparent name/ mailing address/ telephone contact numbers/ emails addresses
- Grade
- Shirt size
- Photographs and videos of robotics activities to be shared in an open setting: FIRST Robotics requests permission from parent/guardian to share this information on a separate form.

How will this information be used?

- For purposes of contacting student or parents for robotics related activities such as chaperone reminders, scheduling reminders, and emergencies
- For compiling a database for shirt sizes
- Chaperone lists
- Other purposes deemed necessary by the robotics sponsors and mentors
