Who is Nate Edwards?

People describe Nate as self-less, caring, a positive light, and just truly happy. He was the type of person to drop everything to lend a helping hand. His smile alone would put everyone around him in a better mood. He loved his family and friends, loved life, and loved to fish. Unfortunately, he lost his life too soon in a tragic accident on October 1st, 2021 at 24 years young.

We started the Nate Edwards Fishing Tournament to keep his memory alive by having fun, making memories, and helping those in need! Come help us celebrate Nate's memory and catch some fish!

IN 2022, WE HAD:

OUR CHARITIES

Supporting Individuals with Disabilities
SINCE 1954

LARC is a training center for success for individuals with intellectual and developmental disabilities. Established in 1954, LARC Inc.'s mission is to empower and support individuals with disabilities and their families to reach their full potential.

We have joined with Everglades City Schools to start the Nate Edwards Scholarship. This will allow students who graduate to have a scholarship to a Trade School or a Captains School. We feel it is important to help our kids achieve a dream that can give them the direction to provide for themselves. Nate would have been so proud to see this Scholarship come to life.

Autism Service of Florida is an organization dedicated to providing the highest quality care for pre-school age children diagnosed with Autism Spectrum Disorder and their families.
