Deadlines, meetings, and constant emails—modern workplaces move fast. But is your team’s health keeping pace?

That’s where we come in—with

# Health Day

**Not Just Another  
Health Screening Event**

Health Day is your team’s chance to reconnect with their health through hands-on activities, expert advice, and actionable steps towards a healthier lifestyle.

**A Health Day  
At Zero Cost  
For a Healthier Tomorrow**

# What is **Health Day** ?

A fully-managed, on-site wellness event that brings health and well-being right to your workplace—simple, engaging, and impactful.

## **On-Site Screenings**

Quick, confidential health checks by healthcare professionals.

## **Health Talk**

Expert tips on preventive health, nutrition, and stress management.

## **Wellness Zone & Perks**

Fitness demos, healthy snacks, freebies, and exclusive discounts.

# Beyond **Health Day**

## **Follow-Up & Wellness Coaching**

Employees can access test results on our portal, use ASKGO (AI chatbot) for queries, and book health coaching sessions.

## **Book Tests & Priority Consults**

Easily book tests or specialist consults through our network of partner hospitals.

# Launch Your **Health Day** in 3 Steps

## **1 Register & Choose a Date**

Share your employees' details along with their preferred screening tier—basic (free) or premium add-ons—and select your ideal date

## **2 Pre-Site Visit & Setup Planning**

We'll visit your office to assess the space, plan the layout, and manage all logistics to ensure a smooth event day.

## **3 Confirm & Lets Go**

Review and approve the event plan — once everything's set, we'll officially launch your Health Day on the chosen date!
