Alaskans Choose Respect

The LeeShore Center cordially invites you to join us for an "Alaskan Choose Respect" Awareness Event in March (date to be determined) in support of state wide efforts to raise awareness of Domestic Violence and Sexual Assault. Meet us in Kenai on the Frontage Road in front of the clock tower at Leif Hansen Park at noon and walk to the Kenai Visitors and Cultural Center. Refreshments will be served until 2 pm.

For more information contact the Education and Training Assistant at 283-9479.

National Women's History Month

March is National Women's History Month, and March 8th is International Woman's Day. The 2018 theme is *NEVERTHELESS SHE PERSISTED: Honoring Women Who Fight All Forms of Discrimination Against Women*

The 2018 theme recognizes the intersecting forms of discrimination women have faced, and continue to face, throughout American history and celebrates the diverse women who have fought, and continue to fight, discrimination at all level and in all forms. One of the honorees is Alaska's own **Elizabeth Peratrovich** (Kaaxal-gat) (1911-1958).

Peratrovich was a civil rights activist on behalf of Alaska Natives. She was a leader in the Alaska Native Sisterhood and led the fight against the pervasive discrimination and segregation faced by her community. Ms. Peratrovich is credited as the leading force behind passage of the Alaska territory's Anti-Discrimination Act in 1945, the first such law in the U.S.

Find out more by visiting <u>http://www.nwhp.org/</u> to find an event or to learn about the 2018 honorees.

Points on Prevention

As part of LeeShore's efforts to reduce violence in our community, every newsletter will have a "Points on Prevention" section to feature events in our community, both from LeeShore and our community partners. An up-to-date page is available on our website, so that you can "PoP" in to check out the latest efforts that are occurring in our community and how individuals can help make our community safer.

NARCAN[®] (Naloxone HCl) Nasal Spray counteracts the life-threatening effects of opioid overdose. Since most accidental overdoses occur in a home setting, it was developed for first responders, as well as family, friends, and caregivers. If you have a loved one with substance abuse issues, or you have opioid pain medicine in your cabinet and want to have Narcan, the first and only FDA-approved nasal form of naloxone for the emergency treatment of a known or suspected opioid overdose there is ongoing Narcan Training available through Change 4 the Kenai, Call Shari Conner 714-4521 to schedule.
