

CURRICULUM VITAE
CAROL A. PRESCOTT, PH.D.

April 2023

PERSONAL INFORMATION

Born: Anaheim, California
Citizenship: U.S.A.

Position: Professor of Psychology and Gerontology
University of Southern California

Office Address: Department of Psychology
3620 S. McClintock Avenue
SGM Rm 501, MC-1061
Los Angeles, CA 90089-1061
tel: (213) 740-2203
fax : (213) 746-9082
email: cprescot@usc.edu

EDUCATION AND TRAINING

May 1984 B.A. Johns Hopkins University
Major: Psychology (General and Departmental honors)

May 1985 M.A. Johns Hopkins University
Major: Experimental Psychology (Departmental honors)

May 1991 Ph.D. University of Virginia
Psychology; Major: Clinical; Minor: Quantitative Methods

1990-1991 Internship in Clinical Psychology; Semel Neuropsychiatric Institute, University
of California, Los Angeles

1991-1992 Postdoctoral Fellowship (Statistical Genetics)
Department of Human Genetics, Virginia Commonwealth University

1991-1993 Clinical Psychology Residency (part-time)
Department of Psychiatry, Virginia Commonwealth University

PROFESSIONAL POSITIONS

Johns Hopkins University, School of Medicine

1984 - 1986 Research Associate, Department of Psychiatry

Virginia Commonwealth University

1992 - 2005 Assistant to Associate Professor – Virginia Institute for Psychiatric &
Behavioral Genetics (VIPBG), Department of Psychiatry

2001 - 2005 Associate Professor (joint appointment), Department of Psychology

University of Southern California

2005 - 2023 Professor, Department of Psychology (on leave 11/20-4/23, retired 4/23)

2012 - 2021 Professor, Davis School of Gerontology (joint appointment)

HONORS, AWARDS AND ELECTED POSITIONS

DuPont Fellowship, University of Virginia, 1987-1990
Presidential Fellowship, University of Virginia, 1986-1990
Young Investigator Award, NIAAA 25th Anniversary Symposium (Invited Presentation), May 1995
Society of Multivariate Experimental Psychology, elected to membership, 1998
Templeton Foundation Award for Outstanding Paper on Religion in the Medical Sciences, 1999 (with K. Kendler and C. Gardner)
Executive Committee, Behavior Genetics Association, Representative for Associate Members, 2000-2003
Visiting Scholar, Harris-Manchester College, Oxford University, Summer 2004
Theodore Reich Young Investigator Award, International Society of Psychiatric Genetics, 2004
Fulker Award for Most Meritorious Paper, Behavior Genetics Association, 2006 (with P. Madden & M. Stallings)
Executive Committee, Behavior Genetics Association, 2012-2015
President, Behavior Genetics Association, 2013-2014
Dobzhansky Award for Lifetime Accomplishments, Behavior Genetics Association, 2019 (with J. McArdle)

RESEARCH FUNDING

Active Awards

R01 AG056163-04	(C. Prescott)	09/15/16 – 04/30/23
NIH/NIA		\$3.8M (total direct costs)
<i>Risk for Alzheimer's Disease and Cognitive Decline in Project TALENT</i>		
Role: PI		
R01 AG056163-S1	(C. Prescott)	09/15/17 – 04/30/20
NIH/NIA		
<i>Adolescent Antecedents of AD and Other Dementias in Underrepresented Minority Participants in the Project Talent Aging Study</i>		
Role: PI		
R01 AG056163-S2	(C. Prescott)	09/15/17 – 04/30/20
NIH/NIA		
<i>DNA Collection for Genetic Studies of AD, Dementia and Cognitive Aging in the Project Talent Aging Study</i>		
Role: PI		
R01 AG056163-S3	(C. Prescott)	10/01/18 – 04/30/20
NIH/NIA		\$368,263
<i>Risk for Alzheimer's Disease and Cognitive Decline in Project TALENT. (Research Supplement to Promote Diversity in Health Related Research)</i>		
Role: PI, Mentor to C. Zavala		

R01 AG056163-S4	(C. Prescott)	11/01/18 – 04/30/19
NIH/NIA		\$252,197
<i>Evaluation of Dementia and DNA Collection in Underrepresented Minority Twins and Siblings in the Project Talent Aging Study.</i>		
Role: PI		
R37 AG-007137-24	(J McArdle & C Prescott)	05/01/11 - 04/30/20
NIH/NIA		
<i>Assessing and Improving Measures of Cognition in the HRS</i>		
Role: Acting PI		
R01 AG059329	(N Pedersen, B Finch & M Gatz, USC)	09/01/18 – 5/31/23
NIH/NIA		\$461,329 (annual)
<i>SES health gradients in late life: Testing models of gene-environment interplay in an international twin consortium</i>		
Role: Co-Investigator		
R01 AG060470	(M Gatz & N Pedersen, USC)	09/01/18 – 3/31/23
NIH/NIA		\$610,031 (annual)
<i>Clarifying risk and protective factors for dementia with the Interplay of Genes and Environment in Multiple Studies (IGEMS) consortium</i>		
Role: Co-Investigator		

Prior Awards - Externally Funded

1992-1994	<i>Epidemiology of Affective and Anxiety Alcohol Disorders in Women</i> , Rachel Brown Banks Research Fund (PI: K. Kendler, VCU). Co-Investigator.
1992-1997	<i>Epidemiology of Affective, Anxiety and Alcohol Disorders</i> , NIH R01-MH-49492 (PI: K. Kendler, VCU). Co-Investigator.
1994-1998	<i>A Twin-Family Study of Alcoholism in Women</i> , NIH R01-AA/DA-09095 (PI: K. Kendler, VCU). Co-Principal Investigator.
1995-1998	<i>A Minority Twin Study of Alcoholism in Women</i> (supplement to NIH R01-AA-09095 from the Office of Research on Women's Health). Co-Principal Investigator.
1996-1998	<i>Family spiritual values in the transition from adolescence to young adulthood</i> , John Templeton Foundation (PI: L. Eaves, VCU). Co-Investigator.
1996-2001	<i>Psychiatric Genetic Epidemiology</i> . NIH R24-MH-54140 (PI: K. Kendler, VCU). Co-Investigator.
1997-2005	<i>Epidemiology of Affective, Anxiety and Alcohol Disorders</i> , NIH R01-MH-49492 (PI: K. Kendler, VCU). Co-Principal Investigator.
1997-2002	<i>An Irish Affected Sib-Pair Study of Alcoholism</i> , NIH R01-AA-11408 (PI: K. Kendler, VCU). Co-Investigator.
1998-2003	<i>Mediation and Moderation of Genetic Risk for Alcoholism</i> , NIH K01-AA-00236. Principal Investigator.
1998-2000	<i>Dimensions of Spirituality and the Risk for Psychiatric Disorders</i> , John Templeton Foundation (PI: K. Kendler, VCU). Co-Investigator.
1998-2004	<i>A Twin-Family Study of Drug Use, Abuse and Dependence</i> NIH R01-DA-11287 (PI: K. Kendler, VCU). Co-Investigator.
2002-2005	<i>An Irish Affected Sib-Pair Study of Alcoholism</i> , NIH R01-AA-11408. Principal

	Investigator.
2003-2004	<i>Youth Tobacco Control Policy Research: Behavioral and Biological Factors</i> , Virginia Youth Tobacco Research Foundation (PI: B. Dembling, University of Virginia). Principal Investigator of VCU Subaward.
2003-2006	<i>Genetic Heterogeneity of Major Depression, A Twin Study of Comorbidity</i> , National Alliance for Research on Schizophrenia and Depression Independent Investigator Award. Principal Investigator.
2004-2008	<i>Axis I and Axis II Psychiatric Disorders in Norwegian Twins</i> , NIH R01-MH-068643 (PI: K. Kendler, VCU). Co-Investigator.
2005-2006	<i>An Irish Affected Sib-Pair Study of Alcoholism</i> , NIH R01-AA-11408 (PI: K. Kendler, VCU). Co-Principal Investigator.
2005-2009	<i>A Twin-Family Study of Drug Use, Abuse and Dependence</i> . Continuation of NIH R01-DA-11287 (PI: K. Kendler, VCU). Co-Investigator.
2006-2007	<i>Inflammation and Risk for Dementia in Aging Twins</i> . Pilot award from USC/UCLA Biodemography Center (USC PI: E. Crimmins) NIH P30 AG-017265 (Pilot award PI: M. Gatz, USC). Co-Investigator.
2006-2009	<i>University of Southern California Pacific Rim Global Health Framework</i> . NIH Global Health Framework Award. NIH R25-TW-007751 (PI: C. Johnson, USC). Coordinator of Behavioral Science Component.
2008-2009	<i>Anxiety, Stressful Life Events, and Physical Health in Older Adults</i> . NIH F31-AG-03169 (PI: L. Lee, USC). Sponsor.
2009-2011	<i>From Child Maltreatment to Adolescent Substance Abuse: Risks and Protective Factors</i> . NIH R01-DA-24569 (PI: P. Trickett, USC). Co-Investigator.
2009-2011	<i>Interaction of Genes and Childhood Adversity in the Lifetime Dynamics of Cognitive Abilities</i> . National Institute on Aging. Competitive Supplement to NIH R01-AG-07407 (PI of parent project: J. McArdle, USC). Principal Investigator.
2009-2012	<i>Interaction of Genes, Stress and Cognition in the Development of Alcoholism</i> . NIH F31-AA-018611 (PI: K. Young-Wolff, USC). Sponsor.
2010-2012	<i>20-year intergenerational longitudinal follow up of females abused as children</i> . R03-MH-060604 (PI: J. Noll, U Cincinnati). Co-Investigator.
2012	<i>Estimating Genotypic Resemblance of Spouses and Assortative Mating for Alcohol Use in the HRS</i> . Pilot award from USC/UCLA Biodemography Center. NIH P30-AG-017265 (USC PI: E. Crimmins). Principal Investigator.
2010-2014	<i>Intergenerational Transmission of Alcohol Involvement</i> . NIH R01 AA-018179 (PI: S. Luczak, USC). Co-Investigator.
2011-2016	<i>The Greatest Generation: The NAS-NRC WWII Twin Registry as a Scientific Resource</i> . R21 AG039572 (USC PI: M. Gatz). Co-Investigator.
2011-2016	<i>A 55-Year Follow-Up Study of Project TALENT Twins and Siblings</i> . NIH R01-AG-043656. Principal Investigator.
2014-2015	<i>A 55-Year Follow-Up Study of Project TALENT Twins and Siblings; Supplement</i> . NIH R01-AG-043656-02S1. Principal Investigator.
2014	<i>Development and Validation of Self-Administered Tablet Computer Cognitive Assessment</i> . Pilot award from USC/UCLA Biodemography Center. NIH P30 AG-017265 (USC Center PI: E. Crimmins). Principal Investigator.
2014-2017	<i>Etiology of Emotional Resilience in Older Adults: Stress, Genes, and Behaviors</i> . NIH F32 AG-048681-02. (T. Arpawong, USC). Sponsor.

- 2017-2018 *Processing Speed in Aging: Mechanisms for Ability and Change Related to Genes and Sex*. Pilot award from USC/UCLA Biodemography Center. NIH P30 AG-017265 (USC Center PI: E. Crimmins; Pilot Project PI: T. Arpawong). Co-Investigator.

Prior Awards - Internally Funded

Virginia Commonwealth University (VCU)

- 1997-1998 *A Twin Study of Vulnerability to Anxiety*. Pilot award from Virginia Institute for Psychiatric & Behavioral Genetics. Principal Investigator.
- 1998-1999 *A Twin Study of Vulnerability to Anxiety*. A.D. Williams Research Fund. Principal Investigator.
- 1999-2000 *Association between Serotonin Candidate Genes and Personality Characteristics*. Pilot award, Virginia Institute for Psychiatric & Behavioral Genetics. Principal Investigator.

University of Southern California

- 2007-2008 *Investigating How Genes Interact with Child Abuse and Neglect to Influence Mental Health*. Zumberge Research and Innovation Award (PI: P. Trickett). Co-PI.
- 2007-2008 *From Nature vs. Nurture to Nature x Nurture: How Genes Interact with Child Abuse and Neglect*. Advancing Scholarship in the Humanities and Social Sciences grant (Co-PI: P. Trickett). Co-PI.
- 2009-2010 Faculty Advisor. USC Undergraduate Research Associates Program
- 2010 Faculty Advisor. USC Summer Undergraduate Research Fund
- 2011 Faculty Advisor. USC Summer Undergraduate Research Fund; Provost's Undergraduate Research Fellowship
- 2013 Faculty Advisor. USC Summer Undergraduate Research Fund
- 2015 *Separating the Impacts of Community and Family Factors on Adolescent Cognitive Abilities and Early Adult Educational and Occupational Achievements*. USC Center for Economic and Social Research. Principal Investigator.
- 2015 *Project Talent Aging Study*. Zumberge Grant Development Award, USC Office of Research. Principal Investigator.

- 1999-2006 Associate Editor, *Behavior Genetics*
- 2003-2008 Review Editor, *Alcoholism: Clinical and Experimental Research*
- 2005-2006 Guest Editor, *Behavior Genetics Special Issue on Development of Substance Use Disorders*, vol 36, no 4, 2006 [recipient of Fulker Award]

Journal Refereeing

Addiction; Addiction Biology; Aging and Cognition; Alcohol; Alcohol and Alcoholism; Alcoholism: Clinical and Experimental Research; Alcohol Research and Health; American Journal of Psychiatry; Archives of General Psychiatry; Behavior Genetics; Biological Psychiatry; Clinical Psychological Science; Developmental Neuropsychology; Developmental Psychology; Drug and Alcohol Dependence; Intelligence; Journal of Abnormal Psychology; Journal of Clinical Psychology; Journal of Consulting and Clinical Psychology; Journal of Gerontology: Biological Sciences; Journal of Gerontology: Psychological Sciences; Journal of Studies on Alcohol and Drugs; Molecular Psychiatry; Psychological Medicine; Psychopharmacology

Major Invited Talks and Conference Symposia

Gender and genetic vulnerability to alcoholism. NIAAA-symposium, Stress, Gender and Alcohol-Seeking Behavior, September 1994

Genetic and environmental influences on alcohol and tobacco dependence among women. NIAAA symposium, Alcohol and tobacco: From basic science to public policy, San Diego, CA, November 1994

Twin studies of alcoholism. American Society of Addiction Medicine, San Diego, CA, April 1997

Phenotypes for drug abuse genetic studies in women. College of Problems on Drug Dependence, Nashville, TN, June 1997

Do anxious and depressive states share common genetic factors? 11th European Congress of Neuropsychopharmacology, Paris, France, November 1998

Beyond heritability: Genetic epidemiologic approaches to studying the etiology of alcoholism. Research Society on Alcoholism, Santa Barbara CA, June 1999 (Symposium Organizer)

Third party subjects in behavioral research: A view from VCU. American Psychological Society, Washington, DC, June 2002

What twins can teach us about the etiology of addictions. College on Problems of Drug Dependence, Bal Harbour, FL, June 2003

What twin studies teach us about the etiology of alcoholism. 4th annual Guze Symposium, Washington University at St. Louis, MO, February 2004

Genetic epidemiology of substance use disorders. American Psychological Association, Washington, DC, August 2005

Genetic influences on substance use disorders: Heritability and beyond. American Association for Addiction Psychiatry, Scottsdale, AZ, December 2005

Alcoholism: from genotypes to genes (and back again). Human Genome Meeting, Helsinki, Finland, June 2006

Why do alcoholism and depression often go together? National Alliance for Research on Schizophrenia and Depression, Symposium on New Directions in Psychiatric Disorders Research. Los Angeles, CA, December 2007

Using genetically informative samples to study etiology & heterogeneity in psychopathology. Psychopathology Research Symposium. Department of Psychology, University of Minnesota, Minneapolis, MN, April 2008

Using twins to study the causes of psychiatric and substance use disorders. National Alliance for Research on Schizophrenia and Depression, Symposium on Healthy Minds Across America. Los Angeles, CA, September 2008

Understanding the causes of psychiatric and substance use disorders. Region IX Healthcare for the Homeless Conference, Los Angeles, CA, February 2009

Gender differences in mediation of genetic risk for alcohol dependence by drinking motives. Research Society on Alcoholism, San Diego, CA, June 2009

Using genetically informative samples to study etiology and heterogeneity in psychopathology. Western Psychological Association, Cancun, Mexico, April 2010

Twin and adoption studies related to addiction: Results and implications for molecular genetic research. Short Course on the Genetics of Addiction. Jackson Laboratory, Bar Harbour, ME, August 2010

Genetic epidemiology of substance use disorders. Short Course on the Genetics of Addiction. Jackson Laboratory, Bar Harbour, ME, August 2011

Project TALENT Twin Data. Workshop on Using the Project TALENT Data Archive. Gerontological Society of America, Boston, MA, November 2011

A short history of Behavior Genetics in Virginia. Presidential Address, Behavior Genetics Association, Charlottesville, VA, June 2014

Project Talent Twins and Siblings Study: Later-life impacts of adolescent SES, family and genetics. (Presenter and Symposium Co-Organizer). Gerontological Society of America, Orlando, FL, November 2015.

Self-administered computerized adaptive tests of cognitive abilities. (Presenter and Symposium Co-Organizer). Gerontological Society of America, New Orleans, LA, November 2016.

New findings and data release from the Project Talent Twins and Siblings Study. (Presenter and Symposium Co-Organizer). Gerontological Society of America, Boston, MA, November 2018.

Other Invited Talks

Genetic epidemiology of alcoholism and alcohol consumption. Titisee Conference on Alcohol and Health, Titisee, Germany, December 1999.

Genetic influences on alcoholism: Overview and clinical implications. NIAAA Forum on Research to Practice. Oklahoma City, OK, March 2000

Third party subjects in behavioral research. Forum on Research Management, Federation for Behavioral, Social and Cognitive Sciences, Washington, DC, April 2002.

Genetic influences on addictions: Research findings and clinical implications. Richmond Behavioral Health Authority, Richmond VA, February 2004

Using twin studies to address questions of causality. Department of Psychology, University of Missouri, February 2004

Individual differences in risk for alcoholism: Genes and genotypes. Department of Psychology, USC, September, 2004

The Irish Affected Sib Pair Study of Alcohol Dependence. National Institute on Alcohol Abuse and Alcoholism. November 2004

From genotypes to genes: Individual differences in risk for alcoholism. Department of Psychiatry, University of Virginia, March, 2005

Addiction: Behavioral and molecular genetic methods. Society of Multivariate Experimental Psychology Minority Student Conference, Washington DC, August 2005

Genetics and the family. Addictions Forum: Research, Policy and Practice. Belfast, Northern Ireland, September 2005

Fitting models for twin and family data using Mplus. Workshop on Analysis of Twin and Family

- Data. Egmond, Netherlands, October 2005
- Perspectives of a journal editor*. Continuing Education workshop. Department of Psychology, USC, November 2005
- Susceptibility loci for alcoholism and related traits in the Irish Affected Sib Pair Study of Alcohol Dependence*. Scripps Research Institute, San Diego CA, April 2006
- A conversation about addiction*. Center for Excellence in Research workshop. Office of the Vice Provost for Research Advancement, USC, November 2007
- Adding measured genes to social and behavioral research*. Center for Excellence in Research workshop. Office of the Vice Provost for Research Advancement, USC, February 2008 and October 2008
- Applying for pre-doctoral fellowships*. Center for Excellence in Research workshop. Office of the Vice Provost for Research Advancement, USC, September 2009
- Using genetically informative samples to study etiology & heterogeneity in substance use disorders*. Research Institute on Addictions, State University of New York at Buffalo, May 2010
- Using data mining to explore genetic heterogeneity in risk for alcohol dependence*. Workshop on Exploratory Data Mining for Understanding Risk. Missillac, France, July 2010
- Studying twins to understand genetic influences on alcoholism*. Department of Psychology, California State University, San Bernardino, April 2011
- Psychometric, chronometric biometric models of cognitive abilities: Contributions of Jack McArdle to Behavior Genetics*. Festschrift in honor of Jack McArdle, Virginia Commonwealth University, Richmond VA, October 2016

Other Conference Presentations (1st author, not already listed in Published Abstracts)

- Prescott, C.A., and Strauss, M.E. *Perceptual span in psychosis*. Eastern Psychological Association, April 1984
- Prescott, C.A., and Gottesman, I.I. *The MacAndrew Alcoholism Scale: Examining the potential for abuse*. Society for Research on Psychopathology, November 1988.
- Prescott, C.A., Kessler, R., Heath, A.C., Neale, M.C., Eaves, L.J., and Kendler, K.S. *Genetic contributions to liability for alcoholism in women moderated by parental diagnosis and parenting style*. World Congress on Psychiatric Genetics, October 1993.
- Prescott, C.A., and Gottesman, I.I. *Power limitations in detecting heterogeneity of genetic effects: The case of sex differences in alcoholism*. Society for Research on Psychopathology, October 1993.
- Prescott, C.A., Walters, E., Neale, M.C., and Kendler, K.S. *Using twin and family data to identify subtypes of alcoholism*. Short Course on Medical and Experimental Mammalian Genetics, Jackson Laboratory, July 1994.
- Prescott, C.A. and Kendler, K.S. *Personality differences in dynamic relations between life events and alcohol consumption among women*. American Psychological Society, June 1995 and the IVth European Congress of Psychology, July 1995.
- Prescott, C.A., McArdle, J.J., and Hamagami, F. *A biometric analysis of multidimensional and dynamic cognitive changes over the adult life-span*. International Society for the Study of Behavioral Development, August 1996.
- Prescott, C.A. and Kendler, K.S. *A new twin study of alcoholism: Preliminary Results*. International Society of Psychiatric Genetics, October 1996.
- Prescott, C.A. and Kendler, K.S. *Multivariate genetic analyses of alcohol, tobacco and*

- marijuana consumption and dependence among female twins*. International Society for Biomedical Research on Alcoholism, July 1998.
- Prescott, C.A. *A multivariate experiment on genetic contributions to vulnerability to anxiety*. Society of Multivariate Experimental Psychology, October 1998.
- Prescott, C.A., and Kendler, K.S. *Genetic and environmental influences on transitions between stages of alcohol use in women*. College on Problems of Drug Dependence, June 1999.
- Prescott, C.A., and Kendler, K.S. *Detecting sex differences in genetic influences on traits scored as binary variables: Applications for the etiology of alcoholism*. Society of Multivariate Experimental Psychology, October 1999.
- Prescott, C.A., and Kendler, K.S. *Using twins to study the basis of the association between age at first drink and alcoholism*. Society of Multivariate Experimental Psychology, October 2000.
- Prescott, C.A., Sullivan, P.F., Devitt, M., Halberstadt, L.J., Walsh, D., Patterson, D.G., and Kendler, K.S. *Preliminary results from a study of alcoholism subtypes among families with alcohol dependence in Ireland*. Society of Multivariate Experimental Psychology, October 2002.
- Prescott, C.A. *Contributions of John Horn to Alcoholism Research*. Society of Multivariate Experimental Psychology, October 2006
- Prescott, C.A., McArdle, J.J., Achorn, D.L., Kaiser, A., and Lapham, S. *Applying Project TALENT sibling and classmate data to evaluate community and family influences on cognitive abilities*. Society of Multivariate Experimental Psychology, October 2012

Additional Training Experiences

- 1991 Short Course in the Methodology of Twin and Family Studies, Katholik University, Leuven, Belgium. Two-week course on data analysis of research problems involving data from twins and families.
- 1994 Short Course on Medical and Experimental Mammalian Genetics, Jackson Laboratory, Bar Harbor Maine. Two-week course covering recent developments in genetic techniques and research.
- 1997 Summer Institute on Longitudinal Methods, Center for Research in Drug Prevention, Pennsylvania State University, State College, PA. Imputation of missing data and hierarchical linear modeling.
- 1998 Drug Dependence, Pharmacology 548, Virginia Commonwealth University. Graduate course in the pharmacology of psychoactive substances.
- 1999 Methodology of Twin and Family Studies - Advanced Course, University of Colorado, Boulder, CO. One-week course on advanced methods for data from twins and families.
- 2000 Second International Meeting on the Genetic Epidemiology of Complex Traits, Cambridge, UK. Three-day course on statistical analysis of twin and family data.
- 2000 Summer Institute on Longitudinal Methods, Center for Research in Drug Prevention, Pennsylvania State University, State College, PA. Three-day workshop on analysis of categorical data.
- 2001 Summer Institute on Longitudinal Methods, Center for Research in Drug Prevention, Pennsylvania State University, State College, PA. Three-day workshop on applications of the software program Mplus.
- 2001 American Psychological Association Advanced Course in Longitudinal Methods, University of Virginia, Charlottesville, VA. Five-day workshop on methods for analyzing longitudinal data.

2010 American Psychological Association Advanced Course in Data Mining, University of Southern California, Los Angeles, CA. Five-day workshop on methods for exploratory data analysis.

TEACHING

Major Teaching Assignments

Virginia Commonwealth University

Course Organizer, Quantitative Genetics Research Seminar, Department of Human Genetics, Fall 1997, Spring 1998

Instructor, PGY-III Research Techniques Course, Department of Psychiatry
Fall 1998-2000

University of Southern California

Advanced Clinical Seminar: Genetic Influences on Psychopathology
(PSYC680) – Spring 2006

Abnormal Psychology (PSYC360) – Spring 2007

Psychological Science I (PSYC599) – Fall 2007

Psychological Science II (PSYC599) – Spring 2008

Workshop in Quantitative Methods: Analysis of Family, Twin & Genetic Data
(PSYC621) – Spring 2009

Advanced Clinical Seminar: Clinical Neuroscience of Addiction (PSYC680) – Fall 2009

Drugs, Behavior & Society (PSYC165) – Fall 2010

Research Methods in Psychology (PSYC504) – Fall 2006, Spring 2008, Fall 2008,
Spring 2010, 2011, 2013, 2014

Non-Experimental Research Methods (PSYC316) – Spring 2014

Directed Field Experience in Psychology (PSYC391) – Summer 2015, Fall 2015, Spring 2016

Faculty Mentor

Directed Field Experience in Psychology (PSYC391) – Spring 2013, Summer 2013, Fall 2013

Guest Lectures and Other Teaching

Virginia Commonwealth University, Medical College

1992 M-I Clinical Interviewing, Department of Psychiatry

1993 Sociobiology, Department of Psychology

1994 Workshop on Methods in Substance Abuse Research, Center for Drug and
Alcohol Studies

1996, 2000, 2005 M-II Behavioral Science Course, Department of Psychiatry

1998, 2005 Introduction to Human Behavioral Genetics, Dept of Human Genetics

1999 Professional Issues Seminar, Department of Psychology

1999 Substance Abuse, Department of Rehabilitation Counseling

1999 - 2003 4th year Residents Didactic Seminar, Department of Psychiatry

1999 - 2004 1st year Residents Didactic Seminar, Department of Psychiatry

University of Southern California, Department of Psychology

Spring 2006 Behavioral Genetics (PSYC438), Proseminar in Lifespan Developmental
Psychology (PSYC535B), Analysis of Covariance Structures (PSYC577)

Fall 2006 Workshop in Quantitative Methods (PSYC578)

Spring 2008 Research Design in Developmental Psychology (PSYC524)

Spring 2010 Workshop in Quantitative Methods (PSYC578)
Fall 2012 Multivariate Analysis of Behavioral Data (PSYC575)
Spring 2013 Research Design in Developmental Psychology (PSYC524)

MENTORING

Primary Research Advisor – Doctoral Students

Virginia Commonwealth University

1999 - 2003 Dawn Johnson – Ph.D. in Psychology, 2004 (Thesis Co-Chair)

Department of Psychology, USC

2005 - 2011 Lewina Lee - Ph.D. 2012
2006 - 2009 Emily Fine – Ph.D. 2009 (Thesis Co-Chair)
2006 - 2011 Nicole Sintov – Ph.D. 2011
2006 - 2012 Kelly Young-Wolff – Ph.D. 2012
2007 - 2014 Elizabeth Chereji -- Ph.D. 2014
2012 - 2016 Rubin Khoddam, Doctoral student
2014 - 2015 Franchesca Cortez, Doctoral student

Post-Doctoral Advising – Primary Mentor

Virginia Commonwealth University

2004 - 2006 Po-Hsiu Kuo Ph.D. (Post-doctoral trainee)

University of Southern California

2007 - 2009 Archana Jajodia
2013 - 2017 Thalida Em Arpawong
2017 - 2020 Catalina Zavala

Research Advisor – Undergraduates (*USC Department of Psychology unless noted otherwise*)

1999 - 2000 Rebecca Cross (Department of Psychology, University of Richmond)
2007 - 2008 Sarah Turkishher (Honors Program)
2008 - 2009 Giuliette Recht
2008 - 2009 Elizabeth Donnell (Honors Program)
2009 Barrymore Rosellini
2009 - 2011 Nitika Gupta (Honors Program)
2009 - 2010 Neelam Savla
2010 - 2011 Amber Hannah (California State University, Los Angeles)
2011 - 2012 Ryan Rysyk
2013 Rachel Piperno, Hong Clarke

M.A. Thesis Committee Member (*all in USC Department of Psychology*)

2008 Marissa Ericson
2007 - 2008 Lauren Spies
2008 Yan Zhou
2010 - 2011 Larissa Borofsky
2010 - 2011 Kulwinder Singh

2012 - 2013	Davika Dhamija
2013 - 2014	Justin Hummer
2014 - 2015	Jeffrey Newall
2015	Laura Garcia
2015 - 2016	Geoff Corner

Ph.D. Thesis Committee Member (*USC Department of Psychology unless noted otherwise*)

1996 - 1998	Lucinda Shillady (VCU Human Genetics)
2004 - 2006	Scott MacDonald (VCU Psychology)
2006 - 2011	Joshua Isen
2006 - 2008	Guneet Kaur (USC Public Health)
2006 - 2007	Enrique Ortega (USC Public Health)
2006 - 2008	Mo Zheng
2007 - 2008	Serena Bezdjian
2007 - 2010	Jessica Brummelhof
2007 - 2009	Jennifer Dave
2007 - 2009	Amber Hall (USC Gerontology)
2008 - 2009	Nashla Feres
2009 - 2011	Ravi Iyer
2009 - 2014	Kean Hsu
2010 - 2013	Louise Cosand
2010 - 2013	Sharon Niv
2013 - 2015	Gin Chen
2014 - 2015	Christine Juang
2015 - 2016	Justin Hummer

Post-Doctoral Trainees (Co-Advisor)

Virginia Commonwealth University

1997 - 1999	Steven Aggen, Ph.D.
1999 - 2000	Kristen Jacobson, Ph.D.
1999	Yoon-Mi Hur, Ph.D.
2002 - 2004	Jonathan Kuhn, Ph.D.
2004 - 2006	Gursharan Kalsi, Ph.D.

University of Southern California

2011 - 2014	Lisa Yarnell, Ph.D.
2015 - 2017	Jennifer Robinette, Ph.D.

Other Research Advising

1995 - 1998	Francis Lexcen (PhD candidate, Psychology, University of Virginia)
2002 - 2003	Stephanie Byers (Intern, Governor's High School, Richmond VA)
2002 - 2004	Arpana Agrawal (PhD candidate, Human Genetics, VCU)
2004 - 2008	Jessica Baker (PhD candidate, Psychology, VCU)

Clinical Supervision

Clinical Psychology Internship Program, VCU, 1994-1996
 Clinical Psychology Doctoral Program, USC, 2009-2015

Other Mentoring

- 2004 - 2005 Thomas Crawford, Ph.D. New York State Psychiatric Institute, Columbia University. Co-Mentor on K-01 application to NIMH.
- 2004 - 2005 Erica Spotts, Ph.D. Department of Medical Epidemiology, Karolinska Institute. Co-Mentor on K-01 application to NICHD.
- 2004 - 2006 Xiangning Chen, Ph.D. Virginia Institute for Psychiatric and Behavioral Genetics, VCU. Co-Mentor on K-01 award from NIDA.
- 2006 - 2007 Maricela Alarcon, Ph.D. Department of Neurology, University of California, Los Angeles. Mentor on K-01 application to NIMH.
- 2006 - 2008 Susan Luczak, Ph.D. USC. Co-Advisor on K-08 Award from NIAAA.

UNIVERSITY SERVICE

Virginia Commonwealth University

Departmental Committees

- 1996 Faculty Search Committee, Department of Psychiatry
- 1997 Faculty Search Committee, Department of Human Genetics
- 2004 - 2005 Faculty Search Committee, Department of Pharmacology
- 2005 Chair, Faculty Search Committee, Virginia Institute for Psychiatric and Behavioral Genetics, Department of Psychiatry

University Committees

- 1994 - 1996 Member, Neurosciences Research Subcommittee
- 1998 - 2003 Member, Institutional Review Board, Human Subjects Committee
- 2003 - 2005 Alternate, Institutional Review Board, Human Subjects Committee

University of Southern California

Department of Psychology Committees

- 2005 - 2006 Member, Graduate Studies Committee
- 2006 Member, Tenure Review Committee
- 2007 - 2009 Director of Graduate Studies; Chair, Graduate Committee
- 2008 Chair, Promotion Committee (for S. Luczak)
- 2009 - 2010 Chair, Space Advisory Committee
- 2009 - 2010 Co-Chair, Promotion Committee (for J. Monterosso)
- 2010 - 2011 Member, Graduate Studies Committee
- 2012 Member, Department Chair Consultation Committee
- 2012 - 2017 Member, Faculty Mentoring Committee (for D. Saxbe)
- 2013 - 2014 Member, Adjunct Faculty Advisory Committee
- 2017 Chair, Faculty Fifth Year Developmental Review Committee
- 2018 Chair, Promotion Committee (for R. John)
- 2018 - 2020 Member, Faculty Mentoring Committee (for M. Lai)
- 2019 - 2020 Chair, Faculty Mentoring Committee (for C. Beam)

University Committees

- 2010 Selection Committee – Provost Graduate Fellowships
- 2010, 2011, 2013 Selection Committee – Undergraduate Presidential Fellowships

2006-07, 2008-09	Member, Social Sciences Personnel Committee, Dornsife College
2009 - 2010	Chair, Social Sciences Personnel Committee, Dornsife College
2010 - 2011	Member, Social Sciences Personnel Committee, Dornsife College
2013 - 2015	Member, Natural Sciences and Mathematics Personnel Committee, Dornsife College
2014 - 2016	Member, University Park Campus Institutional Review Board

Other University Service

2006	Facilitator, Genetics Working Group, USC Global Health Planning Retreat
2007 - 2010	Fellow, USC Center for Excellence in Research
2012 - 2017	Mentor, Biodemography of Aging Training Grant, Davis School of Gerontology

COMMUNITY ORGANIZATIONS AND SERVICE

Democratic Party of Virginia
Delegate, 7 th District Democratic Convention, May 1992
Delegate, Virginia Democratic Convention, June 1992
Pro bono Psychotherapy and Consultation
Richmond Nursing Home, 1993 - 1996
Rubicon Women's Treatment Center, 1997
Reading for the Blind & Dyslexic, 2003
Secretary, Faubourg St. Denis Homeowners Association, 2005- 2008
Homeless Healthcare Los Angeles, Board of Directors
Member, 2007- 2012
Chair, Program Committee, 2007- 2012
Vice President, 2009 - 2012

CLINICAL ACTIVITIES

Licensure - Commonwealth of Virginia, #0810-002222

Licensed Psychologist (Clinical), July 1993 - 2015

Service Provision

Adult Outpatient Psychiatry, Virginia Commonwealth University

Adult assessment, individual and group psychotherapy. Specializing in cognitive behavioral therapy of affective and anxiety disorders, and assessment and treatment of geriatric patients. 1993 - 2005
