Our Leadership

After 30+ years across many industries, founder Allen Palmer struck out on his own — partnering with his wife Holly to create Hollen Industries.

We Make Sourcing Simple

At Hollen Industries, we make sourcing simple. We bridge leading manufacturers and the businesses that rely on quality solutions, curating the right products for your space, budget, and goals — all through **one convenient partner**.

Who we serve

Hollen Industries is proud to partner with a diverse range of businesses and organizations across Canada. The logos around represent a selection of the clients we have had the privilege of working with. From food processors to retailers, hospitality to healthcare, our experience spans multiple industries.

What we provide — facilities & furnishings

As a dealership, service business or contractor your shop is as important as your showroom, and keeping them, all organized and running smoothly is something that is needed to survive and stay profitable.

With over 300 trusted vendors, Hollen Industries has positioned itself to provide you with the products you need for your business. From your front door to your rear exit, Hollen Industries can provide you the product you need with competitive pricing, quality and value.

Matting & Flooring

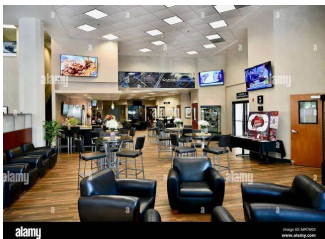

Our matting and flooring solutions support safety, comfort, and performance across many environments — from entrance matting and floor protection to safety anti-fatigue matting. Hollen ensures you get durable, purpose-built products that protect floors, reduce strain, and create safer, cleaner spaces across your dealership.

Operations & Maintenance

Our operations and maintenance products meet the real-world demands of dealerships like yours. From essential building products and tools to durable workwear and everyday supplies, we make it easy to source dependable, Canadian-standard solutions that keep your team productive and prepared.

Site Furnishings

Our site furnishings bring together functional, well-designed products for every dealership environment — from workstations, desks, tables and lockers to décor, soft seating, outdoor pieces, and finishing touches that create practical, comfortable, cohesive spaces.

What we provide — safety, signage & storage

Marketing, Branding and Signage

Hollen understands the importance of communicating your message and brand. As a result, Hollen can provide you with a complete choice of ways to achieve your goal. So, if it is inside or outside signage you need, Hollen Industries is your single-partner solution.

Safety

At Hollen Industries, safety isn't just a requirement — it's the foundation of every successful workplace. That's why we offer one of the most comprehensive ranges of safety products in the market, giving you a true one-stop solution for all your protection and safety needs.

Shelving, Racking & Storage

With access to virtually all industry-leading shelving, racking, display and storage systems, Hollen Industries can access what is best for you. From shelving for standard parts departments to heavy-duty racking for large parts, right through to tire storage racking systems.

In addition, Hollen Industries can provide you with your display shelving and organizational bins and containers.

Waste & Recycling

Keep facilities clean and organized with our full range of waste and recycling solutions — indoor and outdoor containers, multi-stream systems, specialty units, and accessories like sharps bins.
