## Our Leadership

After working over 30 years across a multitude of industries, our fearless leader, Allen Palmer, decided to strike out on his own. Together with his wife, Holly, he took the leap to create Hollen Industries.

## We Make Sourcing Simple

At Hollen Industries, we make sourcing simple. We bridge the gap between leading manufacturers and the businesses that rely on quality solutions every day. Our hands-on team curates the right products for your space, budget, and goals – all through **one convenient partner**.

## Who we serve

Hollen Industries is proud to partner with a diverse range of businesses and organizations across Canada. The logos above represent a selection of the clients we have had the privilege of working with. From airports to town offices, hockey rinks to rec centers, and exposition grounds to leisure centers, our experience spans multiple facility types.

Hollen Industries has dealt with many different industries and facilities and understands that facilities come in many shapes, sizes, and types. While many of the products needed can be common between businesses and facilities, each one also has specific needs.

By understanding this Hollen has ensured to engage vendor partners that assist in meeting both the common needs of business as well as products designed for the specific requirements of various facilities.
