About Us

Hollen Industries is a proudly Canadian supplier supporting businesses, municipalities, and facilities nationwide. With over 300 vendor partnerships and 1,000,000+ products, we provide reliable, cost-effective solutions that keep organizations operating efficiently and within budget. Our extensive offerings include commercial matting, material handling, furniture, safety equipment, waste and recycling receptacles, shelving and storage systems, and so much more.

Founded by Allen and Holly Palmer, Hollen Industries was built on decades of experience across multiple industries. Their vision was to create a company that not only delivers quality products but also provides tailored solutions that go beyond “off-the-shelf” fixes. We take the time to understand your unique challenges, budgets, and goals—delivering the right solution, not just the “right now” solution. Whether supporting education, food service, janitorial, hospitality, retail, warehousing, manufacturing, transportation, or property management, our team ensures each client receives the best products and services for their needs.

What sets us apart is our blend of innovative product offerings and personalized service for both profit and nonprofit organizations. At Hollen Industries, quality and customer care are never compromised—because your success is our priority.

Early Childhood

Hollen Industries supports early childhood classrooms with quality products designed to inspire learning, encourage play, and keep spaces organized. Through our network of trusted suppliers, we offer a wide range of **tables, chairs, rugs, puzzle mats, nursery furniture, and both wood and soft play solutions**—all thoughtfully built with safety, learning, and fun in mind.

Early Childhood

Classroom

When selecting classroom furniture, it's important to consider more than just student needs like **desks & chairs**. Teacher and administrator comfort is often overlooked, yet it plays a key role in maintaining an effective learning environment.

Desks, podiums, lockable cabinets, carts, anti-fatigue mats, AV equipment, and more help support educators keeping them organized and ultimately ensuring their classrooms and offices run more smoothly.
