

# Bhutan

**Bhutan is a travel destination for the detoxification of mind & body – rejuvenation of your soul. If you are aware of your existence in true sense you will be a transformed human being.**

THE LAND OF HAPPINESS IN THE HIMALAYAS

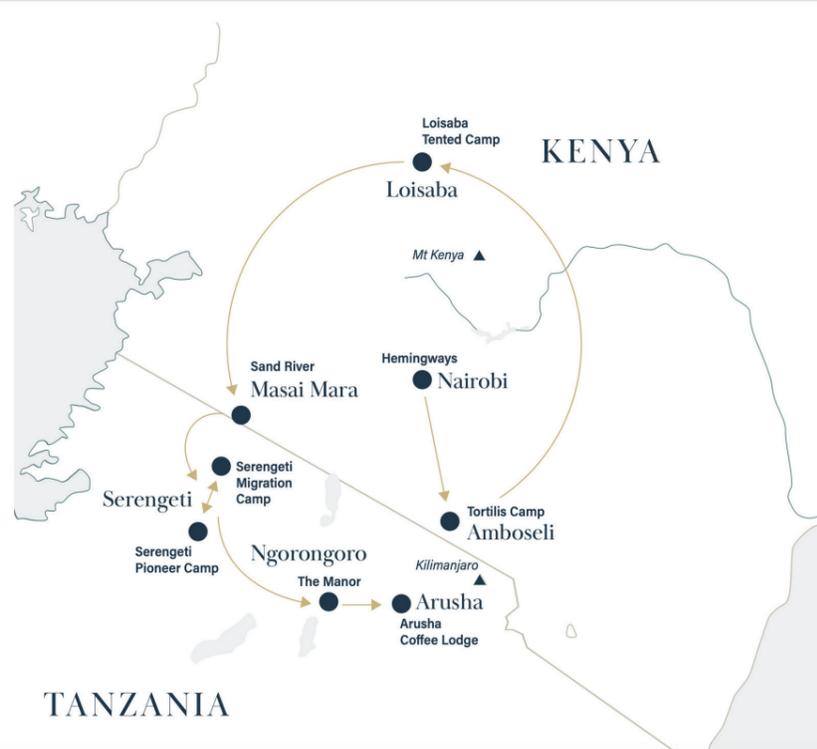

We plan exotic & luxurious private, escorted and group tour holidays to enchanted destinations meticulously with detailed planning and itinerary that involves true local experiences and beliefs. Travel must involve experiences with different outlooks and beliefs and we truly believe it should challenge your predetermined mind. These experiences are luxuries to be cherished.
