HERITAGE TOUR

Our Bombay tour starts with a drive past Gateway of India - you stop for leisurely walk-through Colaba causeway with our expert guide where you find everything from antiques, home décor, clothes, jewellery, shoes, giftings & accessories at fantastic bargain price. Do bargain!! You become an expert at the fabulous management technique lesser known outside India. After about an hour we drive you to Kala Ghoda area for a heritage walk. Bombay's art district is Kala Ghoda where boutique art galleries, stylish cafes, restaurants and concept stores exist with some of the city's historically significant structures. Kala Ghoda boasts some established museums and 18th century colonial-era buildings showcasing Victorian Gothic architecture. You will be served light refreshments and Cappuccino at one of the stylish cafés in the area.

Best explored on foot with our experienced tour leader, walk through this picturesque district bustling with street art to enjoy the beauty & splendour of an era gone by. One could check out on the Prince of Wales Museum, National Gallery of Modern Art & Jehangir Art Gallery briefly as they are within few steps from each other.

We then drive past Flora Fountain, Town Hall & Asiatic Society before a mini stroll at Ballard Pier for the colonial buildings and architecture. We drive through to CSMT, Mumbai University, Rajabai Tower to Oval Grounds to Churchgate and Nariman Point taking a U turn towards the Queens Necklace at Marine Drive and driving past Malabar Hills and optional stop at Gandhi Museum.

We offer optional Rickshaw (tuk-tuk) drive, local railway travel experience besides visiting Mahalaxmi (goddess of wealth) Temple, Shiva Temple, Laxmi Narayan Temple & Ganesha Temple to name a few.

Other options include visiting Mt. Mary Church in the suburbs of Mumbai, Elephanta Caves by private boat, live musical & cultural shows*, Street Food experience and last but not the least local dance show influenced by Bollywood films. One of our major offering is local thali where you get unlimited food to taste and carry that taste buds from Bombay for a lifetime memoirs. (Home cooked food with a local family* available on special request).

Itinerary can be prepared as per the requirement of the group.
