The entire stretch of drives is very scenic and picturesque as we pass by some of the beautiful villages of Bondey, Shaba, Isuna etc. until we enter welcome gate in Thimphu. En-route we will stop over Tachogang Lhakhang en-route to Thimphu, stopover for little leg stretch walk crossing Paro River or enjoy the views from the roadside depending your arrival time. We will explore the city by walk: If time permits, walking through the city gives you immense joys and understanding of modern city. Good option for imported garments and local souvenir, beside unique local handicrafts. Thimphu offers mixed style of personalities taking the street walk in Thimphu- only city in the world without traffic lights. Overnight in Thimphu, altitude 2400m.

27th October 2024 - Day 02: Thimphu Sightseeing.

Thimphu- This bustling little city is the main center of commerce, religion and government in the country. Thimphu is the most modern city with an abundance of restaurants, internet cafes, nightclubs and shopping centers. However, it still retains its cultural identity and values amidst the signs of modernization, often referred as world only city without traffic lights. Visit Buddha Dordenma: The largest sitting Buddha statue in the world, is located at a top of the hill in Kuensel Phodrang Nature Park and overlooks the southern entrance to Thimphu valley. Drive pass by Memorial:

It is located close to the center of Thimphu city and is one of its most iconic monuments. Visitors will find elderly Bhutanese people circumambulating the Chorten throughout the day. Folk Heritage Museum: It provides visitors and tourists with fascinating insights into the Bhutanese material culture and way of life.

Sangaygang View Point: The point offers a stunning panoramic view of the entire Thimphu valley. Takin Zoo: The wildlife reserve area for Takin (*Budorcas taxicolor*), the national animal of Bhutan with unique story of its creation. Walk around Kaja Throm: built upon the Royal Command as a gift from His Majesty the King, Kaja Throm embraces the value of income generation and vibrant community space with great ambience. Overnight in Thimphu.

28th October 2024 - Day 03: Thimphu to Punakha (3 Hrs)

Start the most scenic drive to Punakha from Thimphu over dochula pass which takes about two hours. After the break at Dochula, the road descends into Wangdue and Punakha taking us to one of the warmest places of Bhutan. Dochula pass: The pass is at a popular location as it offers a stunning 180-degree panoramic view of the Great Himalayan mountain ranges. The view is especially scenic and very clear on winter days with snowcapped mountains forming a majestic backdrop to the tranquility of the 108 chortens gracing the mountain pass. Lamperi Botanical garden: The park has many varieties of plants, herbs, birds and animals. If you visit between April and June, you can find about 38 out of Bhutan's 46 species of rhododendrons and spot some of the 220 species birds. This park is one of the must visit place for birds and nature lovers. You may enjoy the hot packed lunch here if you had planned picnic. Chimi Lhakhang, Temple of fertility: This temple is known as the temple of fertility. It is widely believed that childless couples can visit this temple to pray for better fertility to conceive the child. There are stories and incidences that many visitors dream came true however one must truly need to believe and follow the lama's instruction. The hike through the lovely villages of Mesina gives truly amazing experience. Enjoy the gentle walks from the road head. Punakha Dzong: This is one of the finest and must see Dzongs of Bhutan. The Dzong stands inbetween meeting point of two rivers, Phochu and Mochu making the most photogenic Dzongs of Bhutan. Overnight in Punakha, altitude 1350m.

29th October 2024 - Day 04: Punakha Sightseeing.

Punakha is often referred as second capital having best Dzongs of Bhutan. Punakha has the perfect place to awaken the nature lover, take in the splendid views of the Himalayas and listen to the sounds of the Mo Chhu and Po Chhu rivers that simply soak up the serene beauty of this gorgeous valley. Hike to Khamsum Yulay Namgyal Chorten: The temple stands majestically on a strategic ridge above the Punakha valley. It is a splendid example of Bhutan's fine architectural and artistic talent. The hike to the temple is about 45 minutes one way uphill. It offers amazing views of Punakha valley and Mochu river. Visit Punakha Suspension Bridge: Punakha suspension bridge is considered one of the longest of its kind in Bhutan. The bridge connects the dzong with the villages Shengana, Samdingkha and Wangkha on the other bank of the Po Chhu river. In these small villages, locals sell their wares in tiny, traditional shops. Visitors can stop here for a quick and authentic view of true Bhutan. In order to access the suspension bridge from the dzong, one must walk past the King's palace and the cremation ground. Visit Sangchhen Dorji Lhuendrup nunnery: Sangchen Dorji Lhendrub Choling is located above Wolakha on the way to Drolay Goemba which serves as a Shedra (Buddhist College) and meditation center scatter the grassy site, home to a small and friendly community of nuns. 01st November 2024 - Day 7: Paro Sightseeing.

This picturesque region in the kingdom is covered in fertile rice fields and has a beautiful, crystalline river meandering down the valley. Paro has more of historical sites, high-end tourist resort and many souvenir shops for shopping including world famous Takstang. Taktsang Monastery (Tiger Nest Temple): is Bhutan's most iconic landmark and religious Buddhist site in the world. The name Taktsang translates to "The Tiger's Nest". The temple is one of the holiest sites in Bhutan which clings impossibly to a sheer cliff face 900 meters above the valley. Although good trekkers can make it to the top in two hours, most of the guests take whole day to complete the hike. Kyichu Lhakhang: Temple considered sacred Jewel of Bhutan was established by the Buddhist King Songtsen Gampo of Tibet to overcome the giant ogress that laid across Tibet and Himalayas preventing the spread of Buddhism. The king is believed to have built the temple at the left foot of the enormous ogress. Kyichu Lhakhang was among 12 temples in Bhutan out of 108 temples said to have been constructed over single night. Kyichu Lhakhang was initially small in size however later, the temple expanded both in grandeur and size to its form that we see today. Overnight in Paro.
