YOU HAVE SPOKEN – BOULDER’S NEW SUMMER BASEBALL TEAM IS THE FLATIRONS! THE TRADITION CONTINUES – TASTE THE FUN!

BOULDER, COLORADO - Summer collegiate baseball in Boulder has an exciting new name that speaks to who we are. We are the “Flatirons”, as chosen by our fans during a week-long online and email “name your the team” contest. Five possible names were available and more than 60 percent of respondents chose “Flatirons”, an overwhelming response.

The newest Front Range League team, the Flatirons have reached an agreement with the City of Boulder that will bring 24 home games to Scott Carpenter Park in 2026. With the Flatirons’ theme of inexpensive family fun, the summer brings a fresh start and a new level of excitement.

The contest winner is Michelangelo Landgrave, whose name was chosen from those who voted for “Flatirons”. Congratulations to Michelangelo. He receives two Club 100 memberships, which entitles him to free admission to all games at Scott Carpenter Park next summer and a 10% discount on concession items and authentic team game wear. Michelangelo also receives a team jersey with her/his name printed on the back and will throw out the ceremonial first pitch on Opening Night.

“The Front Range League is proud to continue a long tradition of summer collegiate baseball in Boulder,” FRL Commissioner and Flatirons CEO Ken Wilson said. “We intend to run the Flatirons as a full-blown minor league-like operation, with food, drink, music, contests, giveaways and more, upping our game in Boulder to provide the best in inexpensive family fun at Scott Carpenter Park.”

The Flatirons social media outlets and website will be released soon, as well as announcements on coaches, players and schedule. Season tickets will be available in early January and individual game tickets will go on sale as the 2026 schedule is released. Stay tuned!

The Front Range League begins its second season in June 2026. Information on the league can be found at www.frontrangeleague.com. The Flatirons can be reached at info@flatironsbaseball.com.
