

This fall, our “Spirit of Grace” singers expressed an interest in doing a musical! They are such an enthusiastic and talented group of girls, so we thought it would be a great venture to embark upon! Their enthusiasm has spread to members of our Grace family and beyond!

On December 7, 8, and 9, Spirit of Grace, along with our newly founded “Actors United” group, will be presenting the much-loved musical: **Annie!**

Rehearsals began in October and many hours have been devoted to learning lines, singing songs, and practicing choreography. We have an awesome cast and chorus and everyone is so dedicated to doing a great job!

We have some first-time actors, as well as some seasoned veterans! Many members of our very own congregation will be on the stage (be ready for some surprises!) and many community members have joined us as well. It is a dynamic combination of performers of all ages!

And we can’t forget the people behind the scenes...the hard-working individuals who you won’t see on the stage! As with any project in our church, volunteers have stepped forward to help with posters, ticket sales, props, scenery, concession, lights, sound, costumes and so much more. What an amazing sense of stewardship and dedication to absolutely everything that happens at Grace!

We are beginning to now put together all the pieces of our musical—and it is so exciting! Full rehearsals will take place in the next couple of weeks and it will be fabulous to see everything come together!

We hope you will come support our musical! It has definitely been a labour of love for all involved and we have had so much fun working together. It has truly been a rewarding experience and we have formed many great new friendships.

Tickets are available at the church office. We would love to see you there!

Colleen Weimer & Kendra Gonczy
