

CATERING TEAMS REPORT 2018

In 2018 we served 14 families. Our income was \$8,480.00.

We are always happy to have others join our teams to help us provide this vital service.

Due to rising costs, as of January 2019 we have raised our price to \$5.00 per person (previously \$4.00 per person).

If you would like to help us, call the church office at 306-842-5131 or Yvonne at 306-842-4506.

Respectfully submitted
