

CHANCEL CHOIR ANNUAL REPORT FOR 2018

There are over 20 members in the Chancel Choir which meet every Thursday evening under the energetic and encouraging directorship of Colleen Weimer. The choir offers musical leadership at the services as well as at funerals held in the church, with several additional funeral choir members helping out. Some of the choir members, Bonnie Goranson, Terry Malley, Jean Fahlman, Norma Kapusianyik and Kathryn Groshong, play at the communion services conducted in care homes by Reverend Barnabas. Choir members also carry their musical interest and talent into the community with Variation Group which puts on two concerts a year.

In December choir members, along with congregation members, participated in the ambitious musical production “Annie” with three evenings of good crowds. The production was directed by Colleen Weimer and Kendra Gonczy. We commend them for the success of the show.

Weimer’s hosted the June potluck windup at their home with good food and fellowship before the summer break.

Two choir members, Lavica Mahnke and Ethel Morton are to be commended for planning the two annual Hymnsings for several years, with musicians from the congregation taking part in the band. Willa Mae Donald is responsible for phoning.

Terry Malley and Lavica keep the music in the library recorded and organized to make it easier for the director.
