

PARTICIPANTS NEEDED FOR RESEARCH

Are you a Canadian human-animal bond expert? We'd love to hear from you!

*Experts include but are not limited to canine trainers, canine behaviour/body language experts, canine service providers, veterinarians, vet technicians, human-animal bond researchers

We are conducting a study with human-animal bond experts on:

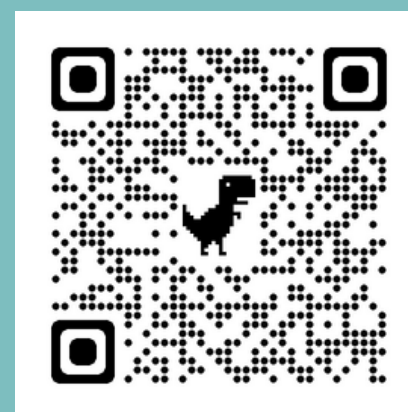

DEVELOPING A CANINE-CENTRIC * ANIMAL-HUMAN BOND SCALE

*a canine-centric scale includes the often neglected experience of the canine in their role in the human-animal bond

As a participant in this study, you would be asked to: complete a maximum of four online questionnaires around conceptualizing the canine-human bond through Survey Monkey that should take no more than 5-10 minutes each. You will be given the chance to enter your information for a gift card draw at the end of the questionnaire.
