See included location map for the pickup schedule in your area.

**ALL RECYCLABLES MUST FIT IN DESIGNATED CART!**

## RECYCLING GUIDELINES

Instead of putting glass, newspaper, beverage cans, plastic and steel food cans in the garbage, simply follow the preparation procedures provided and place those items in your recycling cart at the street.

### WHAT SHOULD BE PLACED IN YOUR RECYCLING CART:

**Aluminum/Bi-Metal Beverage Cans**  
Please crush.

**Steel Food Cans**  
Rinse and remove all labels. If possible, remove the bottom and flatten the can by stepping on it. For safety reasons, do not put lids in your recycling cart.

**Plastics #1 through #7**  
Remove cap and rings. Rinse and flatten. Labels need not be removed. This includes soda pop bottles, milk jugs, laundry products and water bottles.

**Newspaper**  
This includes newsprint, glossy coupons and brown paper bags, but does *not* include anything that has staples or a binding. Please bag or bundle papers for easier handling.
