Hi Susie!

So I know you recently had to stay home due to the Stay at Home Mandate and I was wondering are you open to bring in some extra income?

Well, I just recently got involved with an Amazing online Platform that is in the Trillion Dollar Industry, but I am so new, that what I would like to ask you to join me in a webinar tonight at 7pm from the comfort of your home. I would be doing you a disfavor if I tried to explain it myself.

Now, let me tell you, I think you will be amazed and excited like me, but I promise you that if you attend and do not like it, or if it's not for you, I promise we will still be friends. I just don't want to leave you behind because I know this is going to help me tremendously.

Ok, so I am going to txt you the zoom link right now and about 10 minutes before it starts I'll send you a reminder! Talk to you then.

Hi Tom,

How's it going? I heard your hours got cut back drastically. Are you open to hearing about a way to bring in more income to your household?

I just got involved in a Trillion Dollar Platform and it's so exciting. I don't want to mess up the information because I'm new to it, so I would like to simply invite you to attend a webinar with me today at 7pm.

Listen, I care about you, but if after listening to the info, if it's not for you, it's totally okay with me! I promise you we still be friends. But if it is for you, let's get ready for a fun ride.

Ok, so I am going to txt you the zoom link right now and about 10 minutes before it starts I'll send you a reminder! Talk to you then.

Note: Remember that when you are inviting someone to join you, you are giving them a chance to decide for themselves if they want to join you or not. When you become successful and you never told them about this opportunity, how will you feel when they tell you they really needed something to save their life. When sharing Suponic, invite with the spirit of sharing success with them. More people are looking for this kind of opportunity, so let them be the one to tell you yes or no. Do NOT Pre-judge what you think they will say!
