

Texas de Peru

Volunteer surgical teams for the underserved in Peru

Change Lives in just one week.

-  Leave the US on a Friday evening & arrive at the clinic the next morning.
-  Apply your talents to change lives for the next 5 days
-  Bucket list Excursions to exotic Machu Picchu and Cusco
-  Return home, refreshed knowing you changed hundreds of lives!

Caregivers want to help with international medical missions, but it is typically hard work and takes massive time commitment.

We Make it Easy for You
We Provide:

-  Everything you need to plug in, make an impact.
-  Clinic and OR Infrastructure and equipment
-  Professional Management
-  Funding
-  Medicines & Supplies
-  All Logistics, Lodging,
-  Meals, Local Transportation
-  Government Permits
-  Coordinate with Local Liaisons
-  Patients in Need

 *Whatever it takes*

Since our first surgical mission in 2013, Texas de Peru has cared for thousands of patients, performed hundreds of surgeries, and provided thousands of dollars in donated medical supplies and equipment to help the neediest in Peru.

We enjoy the support of a leading U.S. health systems, whose donations, along with our other generous sponsors and contributors, help us deliver quality care.

Additionally, we are directly connected the Kausay Wasi Clinic, a trusted friend where the poor can receive care without fear of being turned away.
