10th Annual

What is Operation Back to School?

Every summer before the beginning of the school year, For Our City - Chandler provides thousands of students throughout Chandler with backpacks, school supplies, shoes, socks, underwear and school uniforms through the one-of-a-kind Operation Back to School event.

This year's distribution will occur on Saturday, July 15, 2023.

Program Report to Date

In 2013, local leaders had a vision to create the biggest back-to-school drive in the East Valley, specifically one that would offer multiple resources to families in need. By bringing organizations including non-profits, businesses, faith organizations and volunteers together, we've been able to maximize our resources to better assist our community.
