The City of Chandler Neighborhood Programs is excited to be gearing up for our **12<sup>th</sup> annual For Our City Day** with the Pepperwood neighborhood in West Chandler. This incredible event will take place on Oct. 22, 2022, beginning at 7:00 a.m.

Over 1,000 volunteers will join the neighborhood to help beautify and revitalize the neighborhood. Local businesses, non-profits, faith-based organizations, schools, community organizations, City staff and neighbors will join efforts to make a lasting impact in the community. **For Our City Day** is our opportunity to come together as a community and connect with our neighbors while working for the betterment of our city.

Generous contributions of donations, resources and volunteers make this event possible. As a non-profit event, we rely on the generosity of businesses and organizations like yours to make this event happen. Our planning committee is planning an incredible day of service that will complete over 100 projects for an entire community in just **one** day. There are three different ways your business can be involved: Participate as an event Sponsor, In-kind donations, or by creating a volunteer team to represent your organization.

This year, our need is greater than ever. We would love to see you partner with us for this event. We believe that strong partnerships allow our impact to grow. This is an inspirational day, and we want you to be a part of it.

### Event Info

For Our City Day Chandler is an annual event that brings volunteers and residents together to build community and instill neighborhood pride. In just one morning, over 1,000 volunteers will complete beautification projects for Chandler residents by cleaning up their front yards, painting their homes, spreading gravel, cleaning alleyways, and more, all for **FREE!** Last year alone, we were able to complete over 180 projects, spread 72 tons of gravel, paint 22 homes, and beautify 48 homes, but we can't do this alone!

We are looking for sponsorships to provide gravel, paint, paint supplies, plants, food for volunteers, and the necessary tools to complete projects for all our program recipients. As we celebrate 12 years of making an impact through For Our City Day, we are also planning a huge celebration in the neighborhood park for activities, food, and fun. After projects are completed, volunteers, residents, and community members are invited to attend the culminating celebration. It will be a day to remember, and your sponsorship will make all the difference.

For more information on sponsorships, contact Priscilla Quintana at 480-782-4348 or [neighborhood.programs@chandleraz.gov](mailto:neighborhood.programs@chandleraz.gov).
