

For Our City Day Volunteer Waiver

Volunteering or performing community service with the City of Chandler (City) can be very rewarding, but it is not without risks. While we strive to make City volunteer sites a safe environment for all our guests, we ask that you observe our rules of safety at all times.

By signing, you agree that you are volunteering or providing community service on your own behalf and release, indemnify, defend, save and hold harmless the City and its officers, officials, agents, and employees from any and all claims, actions, liabilities, damages, suit, losses or expenses (including court costs, attorneys' fees and costs of claim processing, investigation and litigation) caused or alleged to be caused, in whole or in part, by any wrongful, negligent, or willful acts, errors, or omissions by the City or any of its officers, officials, agents, or employees.

I consent to the unrestricted use of my image and/or my name, in connection with the Volunteer Program, by the City of Chandler or any person authorized by the City of Chandler, including, but not limited to, any photographs, audio or video recordings, interviews, videotapes, or motion pictures whether for television, radio, or print media. This waiver also includes any derivative works created by the City.

In consideration of the City of Chandler making its tools and/or equipment available for my use, I agree to indemnify the City of Chandler, its employees, agents, officials, and officers from all liability, including claims or actions for physical injury, death, or property damage arising out of or in connection with the borrowed tool(s) and equipment, including those claims based on product liability or negligence. I agree to waive any and all claims that I may have against the City of Chandler, its employees, agents, officials and officers for any physical injury, death or property damage I experience arising out of the use of the borrowed tool(s) and equipment, including claims based in negligence. I acknowledge that I have received, read and understood the operating instructions for any borrowed power tool or equipment. I acknowledge that the power tool(s) must NOT be used by any person under the age of eighteen (18) years old. I acknowledge that the City of Chandler has provided the tools and/or equipment to me at no cost as a public service. It is my responsibility to check and inspect the equipment prior to use and to stop using the tools and/or equipment if I have any indication that it might be unsafe. I agree to notify the City of Chandler of any problems encountered when using the tools or equipment

By signing, I agree that I will not seek contribution or indemnification from the City and its officers, officials, agents, and employees in the event I am sued by any party in connection with my participation.

By signing, you understand the risks and hazards inherent upon volunteering at project sites, and assume all risks of loss, damage, or injury, including death, that may be sustained while at a City site or while performing activities for the City at one of its events or functions.

By signing, you represent that you are 18 years of age and of sound mind. If you are under 18, a parent or legal guardian must sign this form as well. Volunteers under 18 must be accompanied by an adult at all times.
