

For Our City Day Chandler

2019 Sponsorship Opportunities

8 a.m. to 1 p.m. Saturday, Oct. 26

For Our City Day Chandler is a partnership of nonprofits, faith-based organizations, businesses, schools, City staff and neighbors coming together to build community and instill neighborhood pride.

This year, For Our City Day will occur on Saturday, Oct. 26, from 8 a.m. to 1 p.m. Hundreds of volunteers from the greater Chandler community will come together to offer residents of the Chandler Manor neighborhood assistance with various neighborhood enhancement projects, such as house painting, laying landscaping rock and front yard maintenance. The day will end with a party at Apache Park where volunteers and residents can celebrate the great work that was done.

This event can only happen thanks to the generosity of our sponsors.
