WHO WE ARE

OUR STORY

Wolfgramm Contracting Ltd was established in 2015 with a vision to provide reliable, skilled and safety-focused construction services that support New Zealand's growing construction industry.

Built on Pasifika values of integrity, respect and hard work, the business has grown through strong relationships, consistent performance and a commitment to its people.

Today, Wolfgramm works alongside some of New Zealand's leading contractors on a wide range of infrastructure, commercial and community projects.

Its journey is driven by One Heart, One Future — building better communities and creating opportunities for generations to come.

INTEGRITY

Doing what we say we'll do.

SAFETY

Every person returns home safely.
