### **The Hunt**

**Deer & Hogs-** Our stands have been strategically placed on a travel corridor, bedding, or food source location. Mineral sites, feeders, and cameras are located close to many stand locations. Our stands are Riversedge® ladder stands and are between 16 and 19ft. We also offer lock ons and ground blinds for those who prefer them. Your guide will bring you as close to your hunting location. Most of our hunts are not very physically demanding. Your Racknine Guide will pick you up at a designated time and place. After the game is down, we will retrieve, clean, quarter and cape your trophy. We will also provide a list of local taxidermist options. Please have the taxidermist to save the jawbone (deer only) and **return to RackNine.** **Turkey** hunts are semi guided unless you request fully guided at a additional cost of \$200 (guide calling and decoys). Only Mature Turkeys can be harvested.

**WHAT YOU NEED TO BRING** You will need to bring your own weapon, hunting gear, clothing, and personal items. For those who want to bring your own climber, please feel free to.
