## **The Hunt**

**Deer-** Our stands have been strategically placed on a travel corridor, bedding, or food source location. Mineral sites, feeders, and cameras are located close to many stand locations. Our stands are Riversedge® ladder stands and are between 16 and 19ft. We also offer lock ons and ground blinds for those who prefer them. Your guide will bring you as close to your hunting location as reasonable. Most of our hunts are not very physically demanding. Your Racknine Guide will pick you up at a designated time and place. After the game is down, we will retrieve, clean, quarter and cape your trophy. We will also provide a list of local taxidermist options. Please have the taxidermist to save the jawbone and **return to RackNine.**

**Turkey-** Hunts are Semi guided meaning we will take you to the farm and advise you. Fully Guided is \$200 extra which includes a guide accompanying you calling and providing 2 decoys. Only mature Toms can be harvested.

## **ADDITIONAL INFORMATION**

\*Some of our tracts have cattle and they are fenced in. Please exercise extreme caution when hunting. Make sure your intended target is a deer and not a stray cow. In case of an unfortunate incident and livestock have been injured or killed the Local Sheriff will be contacted to prepare a loss report. You, the client, and the landowner will have to settle before leaving.

\*Some hunting areas will require you to go over or through a fence in order to best access your hunting location. If you anticipate difficulty with the physical demand please let us know.

\*Hunting license and tags can be purchased over the counter or online at <https://app.fw.ky.gov/solar/>. Cost is \$260 for deer, Spring Turkey is \$215. Kentucky hunting license is for a year so if you hunt with us in the spring and return in the fall you will only need your deer permit come fall.

\*Kentucky requires **all hunters born on or after January 1, 1975 shall while hunting carry a valid hunter education course completion card in addition to the appropriate Kentucky hunting license.**

\*Kentucky's hunter orange requirements are for **all hunters, and persons accompanying them. You must wear outer garments of hunter orange color visible from all sides on the head, back and chest when hunting during daylight hours for any species during the modern gun, muzzleloader, and youth firearm deer season.**

**Removing your orange once in the stand/blind is prohibited!!**

## **WHAT TO EXPECT**

All of our hunts are 100% fair chase. These are wild animals, which means there are no guarantees. Just so everyone understands we sell hunts not deer!! There are many factors outside our control that can have a positive or negative impact on wildlife and their behaviors such as weather conditions, changing migratory and breeding patterns, forage, clients skills, and many other factors. We are committed to providing you with the best hunting experience that we can. Not everyone will tag out, but our guides will always be professional, keep a positive attitude, and will provide all knowledge and equipment necessary for a safe and enjoyable trip.

## **WHAT WE EXPECT FROM YOU**

We expect you to have a positive attitude, abide by any and all rules of Racknine Outdoors LLC, Local, State, and Federal game laws and to conduct yourself in a safe manner at all times. Treat Racknine Outdoors LLC staff and other guests the same way you would any other member of your hunting party.
