## The Hunt

Our stands have been strategically placed on a travel corridor, bedding, or food source location. Mineral sites, feeders, and cameras are located close to many stand locations. Our stands are Riversedge® or GSM Outdoors® ladder stands and are between 16 and 19ft. We also offer lock-ons (upon request only), box stands, and ground blinds for those who prefer them.

- Most of our hunts are not very physically demanding. Your Racknine Guide will bring you to the designated drop off/pick up location. Occasionally to accommodate a group we may ask you drive yourself to the stand.
- After the game is down, we will retrieve, skin, and quarter your trophy. We do charge **\$150 for capping and antler removal** if you are wanting to transport your trophy home to your taxidermist. This is due to many states regulations to CWD. (See Stephanie for payment)
- Racknine Outdoors LLC trophy standards are-  
8pt minimum (points must be 1" or greater) Any Bucks < 8pts, fawns, and button bucks are a **\$800 fine on the spot no exceptions.** (See Stephanie for payment) A Doe **can not** be harvested over a food plot. You are permitted one buck, one doe, and any hogs.
- Everyone will unload their firearms before leaving their hunting spot and handle them as if they are always loaded. **No** loaded firearms permitted in any Racknine's Staff vehicles or in the lodge. We take safety seriously. Violation of this rule will end your hunt and stay in any Racknine Facility.
- **No one will be permitted to leave their stand for any reason other than an emergency. We do not allow hunters to get down and walk around. This only causes unnecessary pressure to the hunting area. This is also to ensure the safety of our hunters and staff.**
- If you shoot a deer 1- call or text your guide 2- stay in the stand until they arrive, and they can retrieve or track your deer. The last thing you want to do is push the game.
- Currently there is no fee for wounded or unfound game. Although we will make every effort possible to recover lost or wounded game if determined by Terry Garrett that the game will not survive your hunt will be over and that is considered your tag.
- Hunting license and tags can be purchased over the counter or online. The licenses needed are as follows **Deer- All game & bait permit** <https://www.outdooralabama.com/hunting/hunting-rec-nr>

## WHAT TO EXPECT

All our hunts are 100% fair chase. These are wild animals, which means there are **NO** guarantees. Just so everyone understands we sell hunts not the wildlife you are hunting!! There are many factors outside our control that can have a positive or negative impact on wildlife and their behaviors such as weather conditions, changing migratory and breeding patterns, forage, client's skills, and many other factors. We are committed to providing you with the best hunting experience that we can. Not everyone will tag out, but we will always give a 110%, be professional, keep a positive attitude, and will provide all knowledge and equipment necessary for a safe and enjoyable trip. Shot distance can vary from stand to stand but a overall bow range can be 30-40 yards and gun 30-200 yards. Being as scent free as possible is the most important thing you can do to have a successful hunt. This means unscented deodorant and shampoo/soap/body wash. In the field, spray down with scent eliminator. If you are a first time hunter you can find these products in the hunting section at Walmart or Bass Pro/Cabelas. You can also order them online from Amazon. We do not supply these products.

## WHAT WE EXPECT FROM YOU

We expect you to have a positive attitude, abide by any and all rules of Racknine Outdoors LLC, Local, State, and Federal game laws and to conduct yourself in a safe manner always. Treat Racknine Outdoors LLC staff and the other guests the same way you would any other member of your hunting party.
