Turkey

Kentucky has one of the longest combined Turkey seasons between Fall and Spring in the nation. Turkeys have a home range is less than 2000ac, with Toms typically having less than hens (remember she comes to him). Turkeys are birds of habit. Our turkey hunts are 3days. Self Guided Hunters are welcome to bring a ATV/UTV/Bad Boy Buggy etc. Only 2 mature Toms can be harvested. State of Kentucky only permits 1 bird/day. Hunting Licenses and Turkey Permits can be purchased online or over the counter. All of our properties have a good healthily Turkey population. Turkey are just like any other wildlife and constantly evolving therefore some birds may come in silent or be cautious of decoys. Be patient and don't be afraid to adjust your hunting style accordingly.

We are committed to providing you with the best hunting experience that we can. Not everyone will tag out, but our guides will always be professional, keep a positive attitude, and will provide all knowledge and equipment necessary for a safe and enjoyable trip.
