## Full Job Description

### Service Beyond Borders: a Non-Profit Organization

A Registered 501(3)c charity working in underserved areas of the world is dedicated to provide free medical services to those in need. We are partnering with local community temples to provide our services at no cost. We are also members of NAFC which helps us with EMR and inexpensive medical supplies.

We are seeking a compassionate and dedicated Family Nurse Practitioner to join our organization. This position involves providing clinical care, supporting the health and wellness for, and working collaboratively with our multidisciplinary team.

- Assess, diagnosis and treat all patients who register for our free medical camp
- Be able to work with and train clinic volunteers and providers on EMR and clinic workflows, by holding classes of medical interest, as applicable.
- Call patients back with lab results and inform on next steps as necessary
- Track and order medical supplies for camps
- Attend SBB Clinical Staff meetings, as requested
- Attend all training mandated by SBB
- Other duties as assigned by the Director – Clinical Services or Healthcare Coordinator

### **REQUIRED TRAININGS: ALL TRAININGS REQUIRED BY SBB, GOVERNMENT AGENCIES, AND LICENSING/PLACEMENT AGENCIES**

#### **What you'll need to be successful:**

- Currently active license in Virginia, as a Family Nurse Practitioner
- Experience in family medicine preferred
- Knowledge of current state health regulations
- Ability to perform first aid and distribute medications
- Good social, organizational, and communication skills
- CPR, First Aid, BLS.
- Bilingual, Telegu and English preferred.
- Technologically competent and familiar with electronic medical records (EMR)
- Excellent social, organizational, and communication skills required.
- Extensive knowledge of Standards
