History of Mother's Day. Celebrations of mothers and motherhood can be traced back to the ancient Greeks and Romans, who held festivals in honor of the mother

goddesses Rhea and Cybele, but the clearest modern precedent for Mother's Day is the early Christian festival known as "Mothering Sunday."

- The Board of Directors meets the 1st Wednesday of each month. (Check for changes)

The ARC meets every 3rd Tuesday of the month.

Memorial Day May 27, 2019 Celebrate Our Veterans

Memorial Day is a United States Federal Holiday, which is observed on the last Monday in May each year. It is formerly known as Decoration Day and commemorates U.S. men and women who died while in the military service for their country.

It was first enacted to honor Union Soldiers of the American Civil

War. It was inspired by the way people in the Southern states honored their dead, and it was expanded after World War 1 to include American casualties of any war or military action.

All non-essential Government offices are closed, as are schools, businesses and other organizations.

Compliance items worth noting: boats, trailers, jet skis & other recreational vehicles aren't allowed to be parked on driveways.

FLAG ETIQUETTE

Ideally, an American flag on your house should hang from a staff that angles out from the front wall, a windowsill, or balcony. It's a good idea to screw a bracket made for holding a flagstaff to the trim. Fasten it securely so it won't become soiled or damaged. Do not allow the flag to touch the ground, floor, water, or anything else beneath it. It's also appropriate to hang the flag from a horizontal staff. Whether the flag hangs from an angled or horizontal staff, be sure the union or canton (the rectangle with the stars) is at the peak. (Hanging the flag with the union down signals extreme distress.) When our President declares the flag to be flown at half-staff, it is acceptable to hang the flag from a horizontal staff with the union down, though your neighbors may not understand why you're doing this. When the flag is displayed either horizontally or vertically against a wall, the union should be at the top and to your left. When displayed in a window, the flag should be hung so that the union is on the left when you see it from the street. The American flag is meant to be a flag; don't use it for any other purpose. For example, don't use it as drapery, ceiling decoration, or as a bed spread. And never use it as a receptacle for carrying or holding anything. Though it is customary to fly the flag from sunrise to sunset, the U.S. Code says that "when a patriotic effect is desired," you can display it around the clock. If you do, you should illuminate it with a light. When displayed from a car, the flagstaff should be fixed or clamped firmly to the vehicle, ideally on the right side. The flag should not be draped over the hood, top, sides, or back. The same holds true for a flag displayed on a float in a parade. Don't carry the flag flat or horizontally. And, because it is not meant to be apparel, do not wear a United States flag. If you wear a lapel flag, pin it on the left side, near your heart. Appropriate USA flag folding procedure: Basically, fold the flag in half width-wise twice. Fold up a triangle, starting at the striped end ... and repeat ... until only the end of the union is exposed. Then fold down the square into a triangle and tuck inside the folds. Why bother with flag etiquette when you're excited about flying the Stars and Stripes? Consider this - for more than two hundred years, our country's military, firemen, police, and other service personnel have practiced these measures faithfully, treating our flag with the highest esteem. This is one way we can show respect and meet the high standard they have set.

The flag should be displayed on all days, especially on Inauguration Day, January 20 Lincoln's Birthday, February 12 Washington's Birthday, third Monday in February Easter Sunday (variable) Mother's Day, second Sunday in May Armed Forces Day, third Saturday in May Memorial Day (half-staff until noon), the last Monday in May Flag Day, June 14 Independence Day, July 4 Labor Day, first Monday in September Constitution Day, September 17 Columbus Day, second Monday in October Navy Day, October 27 Veterans Day, November 11 Thanksgiving Day, fourth Thursday in November Christmas Day, December 25 and such other days as may be proclaimed by the President of the United States the birthdays of States (date of admission) and on State holidays.

These beautiful animals got new homes with people who will love and care for them.

Lots of donations were given during this time also, making this day even more eventful by helping other animals in need.
