## News From The Office:

This has been a trying couple of months for everyone and I would like to thank you for the patience you have shown during the COVID-19 outbreak. Hours of operation have had to be modified as well as the closing of the recreational facilities and you have been most gracious! Please continue social distancing while at the tennis court and pavilion and practice proper hand-washing techniques to keep yourselves and your families safe. Hopefully, things will return to normal soon!

**Congratulations to Norman and Inga Smith-3885 Shady Run Road for winning the 2019 Holiday Decorating Contest!!!!** The Annual Garage Sale has been postponed until May 30th, so stop in, register and pick up your flag. This is going to be a great event! Speaking of great events, there is a **Bear Hunt** going on in Windover!! Grab your little ones for some fresh air and exercise and see how many bears they can find!

As a reminder, the Brevard County Tax Collector's office is closed and those that have birthdays in May are not going to be able to go into the office. You do have the option of renewing your tags online at <https://www.brevardtaxcollector.com/services/renew-vehicle-registration/>. If you have any questions or concerns, you can reach them at 321-264-6969 for further assistance.

*I would like to wish all of the mommies here at Windover Farms a very Happy Mother's Day and hope that everyone stays safe and Well!!*

## Windover Farms Annual Garage Sale:

**There is still time to sign up for the Garage Sale!!** It will be held on **Saturday, May 30th** from 8 am – 12 noon (**Subject to Change**). If you are going to participate, please stop by the main office and register prior to Wednesday, April 15th.

The registration fee is \$5 and provides you with a participation flag to put on your mailbox and puts your location on the community map which will be available to shoppers at the Pavilion entrance.

## Furry Babies:

Please keep Windover Farms an enjoyable place for everyone by cleaning up after your pets.

## ARC Info:

ARC meetings are held the third Tuesday of the month at the Windover office at 7:30pm Homeowners are encouraged to attend the meeting to answer questions the ARC may have. All forms must be filled out in full and submitted with the refundable deposit check. The fees for your specific project will be listed on the first page of the application. After the meeting the homeowner will be contacted via phone and email regarding the decision. Once you let us know that your project is complete, the Committee will perform the inspection and then your refund will be processed.

## Important Numbers

# Lil Whispers

Hi, Tyler here! Did you figure out my riddle?

Cut me in half and I am nothing. Turn me on my side and I am everything. What am I?

**I am the number 8!** Cutting me in half gives you two zeros, and on my side I am the infinity symbol.

Congratulations if you figured it out!!

Things have really changed since last month. We are all staying home so we don't spread or pick up germs. While you stay home there are a lot of outdoor activities you can do with your family while keeping distance from everyone else. One of these is a Teddy Bear Hunt. Many people have put stuffed bears and other animals in their windows for you to go out and find. Ask your grown up to go for walk around the neighborhood and see how many you can find. It is so much fun to do.

This month's riddle is:

I am a word that has 6 letters, remove one and 12 remain. What am I?

Remember to wash your hands and enjoy spending time with your family!

## Raincloud in a Jar-A Science Experiment

Ask Mom and Dad To Join In!!

### Supplies Needed:

Printable recording sheets

A Large Jar

Shaving Cream (Not the gel version)

Gel Food Coloring or washable watercolors

Pipettes or droppers

### Setting up the experiment:

1. In a small cup, mix the food coloring with some water.
2. Fill the large jar with water until it is about 3/4 full.
3. Place the jar and the cups of colored water on the table. Place a pipette in each cup of colored water.

Right before you are ready to do the experiment, spray a bunch of shaving cream in the jar until it is just a small bit above the top of the jar.

### Doing the Rain Cloud in a Jar Experiment:

Pick up some colored water with a pipette and squirt it on top of the shaving cream cloud. Repeat this step one or two more times, but pay close attention to what is happening below the cloud!

The colored water will begin to seep down through the shaving cream and into the water below. Just like rain!

### How It Works:

The shaving cream represents the clouds and the water represents the air. The colored water represents rain. As the colored water saturates the "cloud", it gets heavy and eventually is so heavy that it can no longer hold the water. It "rains" down into the jar - through the "air." It is just like real rain falls through the air.

## Mother's Day Chicken Dinner

### Ingredients:

- **whole chicken thighs** 8
- **butter** 1/4 cup
- **garlic** 2 cloves, finely chopped
- **onion** 1, finely chopped
- **leeks** 2, finely chopped
- **chicken stock** 1/2 cup
- **white wine** 1/2 cup
- **double cream** 1/2 cup
- **lemons** 2, 1 juiced, 1 thinly sliced
- **rosemary** a few whole springs

rice or orzo to serve

### Steps:

- **STEP 1**

Heat the oven to 400 degrees. Season the chicken thighs well, put into a deep 30cm x 20cm roasting tin and roast for 40 minutes until golden and crisp.

- **STEP 2**

Meanwhile, melt the butter in a pan and gently fry the garlic, onion and leeks until soft and translucent. Add the chicken stock and wine, and gently simmer for 10 minutes. Add the double cream and lemon juice, and gently simmer for a further 5-10 minutes or until the mixture has thickened.

- 

- **STEP 3**

Take the chicken out of the oven, spoon out any fat, and pour the creamy mixture around the thighs so that the skins remain exposed. Put the lemon slices around the thighs, scatter over the whole rosemary sprigs and put back in the oven for a further 20 minutes. Serve with orzo or rice, if you like.
