Anndrea, concerns with NAACP and City Council Pearl Warren. Turns out they handed out a sheet of paper stating that they were moving out residents, which is not true. (is this true?) Emails to the people we've signed up. Vinnie, USI, may help with emails. 115 people have applied for assistance. National Night Out - \$2000 for the food vendor, Costco's chips and renewal. Sam's club, drinks. Costco membership- transfer to RaShawn. Card for Anndrea. Vicky on bank account. Need to meet at the bank. Anndrea to investigate a new vendor for coats/hats/backpacks. Updates: July meeting was cancelled; there were no minutes. We want to help people that live here and those displaced. Blue line was rerouted to cross 94 and go to Broadway. The train is a once in a lifetime opportunity, businesses are rebuilding and changes being made. Some houses will be torn down. There is definitely a divide.
