

Mary Ann has been proudly serving the Savage community for nearly fifty years, from the day she earned her first dollar, the day she served her first beer, and the day she became a staple eatery of Savage.

It comes with great sadness for us to announce that Ma's Kettle has permanently closed its doors.

Mary Ann built this business from the ground up with sheer determination and perseverance. Throughout the years, Ma's Kettle has been a gathering place for the community to come together and congregate while enjoying a warm, filling meal.

From first dates, engagements, weddings and even the casual lunch break, Mary Ann has been there for everyone no matter what was going on in their lives and helped make every customer feel special as she served them up food made from the heart. It is easy to look at this and be upset, but I encourage you instead to reminisce on the wonderful years that Ma's Kettle and its amazing staff have spent becoming a part of this tight knit community.

We have even served multiple generations of families as the years have gone by and have watched babies grow up into adults. I encourage you to look back at the fond memories you hold dear about your time at Ma's Kettle and cherish all the interactions and lasting bonds and friendships made over the course of our doors being opened.

As the saying goes, "All good things must come to an end." It has been our pleasure serving our faithful customer base over the years and we will always remember the moments we shared with you all.

Thank you for all your support over the years. Although we are shutting our doors, be on the lookout for new and exciting things coming to Savage.
