Reboot Power Hangover Relief speeds recovery from hangover symptoms. Ginger has been used for centuries to relieve nausea and soothe the stomach. Valerian is shown to affect gamma aminobutyric acid (GABA) receptors and provide overall positive emotional wellness. White Willow Bark is the basis for the development of aspirin and contains salicylates, which have anti-inflammatory and pain relief properties. Finally, our vitamins and electrolytes replenish the nutrients needed after a night out on the town. We have dosed our hangover recovery product for maximum effectiveness.
