

ICON Program Overview

eXp Realty US

eXp Realty US celebrates all of our agents while also highlighting those who achieve exceptional production levels and exemplify our core values. Agents can achieve ICON status by meeting or exceeding the Program’s Production Requirements during their [Capping Period](#). Once involved in the ICON Program, there are additional opportunities for ICONs to earn more awards by “giving back” time, talents, and knowledge to eXp’s agent population and also by attending specific eXp-approved events.

ICON agents are an integral part of eXp's culture. ICONs serve as role models, culture keepers, and a source of inspiration to other agents at eXp. To embody the ICON agent status, we ask that all ICONs familiarize themselves with the Program and participate to the fullest extent possible.

Please refer to the glossary of terms defined in the [ICON Program Terms/Glossary](#) (the “ICON Glossary”) for an extensive list of program-related definitions and terms; defined terms that are used but not otherwise defined in this ICON Program Overview or the Glossary shall be as defined in the eXp Realty Independent Contractor Agreement (“ICA”) or the eXp Policies and Procedures (“eXp P&Ps”). To the extent there may be any conflict between the terms or definitions contained within this ICON Program Overview or the ICON Glossary, on the one hand, and the ICA or eXp P&Ps, on the other hand, the terms contained within the ICA and eXp P&Ps shall be controlling.

Disclaimer: This ICON Program Overview is effective as of **July 1st 2022**. The new policies contained in this document will apply to all ICON agents moving forward. ICONs who have already begun their ICON Cultural Benefit Year and have previously selected a [Cultural Commitment](#) path may elect to transition to the new points system, and will be awarded points for validated efforts in their previous path chosen. Program details in Agent Growth Incentive Plan v. 2021 (“AGIP”) may be offered as an alternative route to reconcile hindered opportunities.

Full Cap Team Member	●	●	●	●	●	●		
MIT Lead							●	●

Table 1

*For Reduced Cap Team Members only

Any agent that has paid the full Company Dollar Cap and has met the additional requirement(s) will achieve ICON status in the month **following** the qualifying [Settled Transaction](#). All Transactions must be completely settled and properly documented in Skyslope.

A representative of the ICON Program will notify qualified agents of their ICON status by the 25th of the month **following** achievement of the Production Award Requirement (“Production Requirement”). If an agent believes they have qualified for ICON status and have not received an email notification by the 25th of the following month, that agent should email iconaward@exprealty.net to inquire.

All ICONs are **strongly encouraged** to complete ICON Orientation. This is an on-demand class.

Each [Capping Period](#), the agent must meet ONE of the following Production Requirements (as shown in Table 1 above):

1. Paid Company Dollar Cap of \$16,000 and Capped Status Transaction Fees of \$5,000

OR

2. Paid Company Dollar Cap of \$16,000 and annual Gross Commission Income (GCI) of \$500,000 or more with a minimum of ten (10) closed Transactions and payment of an [ICON Qualifying Fee](#). The ICON Qualifying Fee only applies to the ICON Program—the agent will continue to pay transaction fees based on the schedule laid out in [Addendum A of the ICA](#).

Mega ICON Team Production Stock Award Requirements:

Mega ICON Teams have a Production Requirement of \$56,000 and are eligible for consideration for ICON status when **BOTH** of the following stipulations are met during the team lead’s Capping Period:

1. Team Leader has paid the Company Dollar Cap of \$16,000.

AND

2. The remaining \$40,000 must be met by the collective contributions of all [Reduced Cap Team Members’](#) Company Dollar Caps. All Full Cap Team Members who have elected to pay Full Cap in order to obtain their own ICON Status will not have their production or Company Dollar Cap count towards the Mega ICON Team Leader’s production or cap. The team members’ Company Dollar is totaled during the team lead’s capping period.

Please note that certain addenda to an agent’s Independent Contractor Agreement may affect their ability to ICON.

ICON Production Stock Award Issuance Plan:

Upon review and approval of Production Requirement achievement, the ICON agent will be granted \$8,000 in restricted stock units of publicly traded eXp World Holdings, Inc. common stock (NASDAQ: EXPI), which vest after three years. These shares of EXPI common stock will be issued and vest so long as the ICON agent remains in good standing and licensed exclusively and continuously with eXp Realty at the three year vesting mark.

Stock awards earned under the Program will be granted at the end of the calendar month in which the ICON agent is recognized (the month following the qualifying Settled Transaction) with the fair market value, as determined by the closing market price of EXPI's common stock on the trading day that is the 15th day of the month. If the 15th day of the month falls on the weekend or a market holiday, the stock award grant price will be based on the fair market value of the most recent trading day. For avoidance of doubt, restricted stock unit awards are subject to vesting and are not deemed issued until vested.

Example: If an agent qualifies for ICON status with a Transaction that closed on August 5th, they will be recognized as a September ICON and their stock award of EXPI common stock will be granted with a date of September 15th. Stock awards will reflect in Shareworks at the end of their achievement month. Their ICON Cultural Benefit Year will run from September to September.

ICON Cultural Commitment Stock Award Requirements:

Community is one of our core values. Successful agents giving back to our agent population feed into the proverbial "rising tides lift all boats" philosophy. While an ICON is in an active [ICON Cultural Benefit Year](#) they have the ability to earn an additional **\$4,000** in EXPI common stock by giving back to eXp's agent population and thereby satisfying the Cultural Commitment requirements.

This Cultural Commitment tracking begins after the agent has achieved ICON status and has been recognized, launching the ICON Cultural Benefit Year. The ICON's contributions will be tracked by the agent and verified by ICON staff.

ICONS receive a [list of approved Cultural Commitment opportunities](#) at the beginning of their ICON Cultural Benefit Year. The ICON's objective is to earn a total of 20 points before the end of the ICON Cultural Benefit Year in order to receive their Cultural Commitment stock award.

The ability to earn points is specifically aligned with the ICON Cultural Benefit Year. Any points acquired that exceed the required 20 will not roll over to the next ICON Cultural Benefit Year. In addition, points earned over the required 20 will not earn additional eXp stock. The value of the stock award granted after the completion of the ICON Cultural Benefit Year will not exceed \$4,000 regardless of extra points being earned.

If a current ICON agent re-achieves ICON status in less than a year (creating an overlap in ICON Cultural Benefit Years), Cultural Commitment points will be credited to the first ICON Cultural Benefit Year until a points total of 20 is reached. After this, any achievement of points will then be credited to the second ICON Cultural Benefit Year.

ICON Cultural Commitment Stock Award Issuance Plan:

In the last month of the ICON Cultural Benefit Year, a final audit will be completed to verify if the ICON agent has met the Cultural Commitment points requirements to earn the additional stock award.

The Cultural Stock Award will be posted in the ICON agent's Shareworks account the month following the completion of the agent's 12 month ICON Cultural Benefit Year. This stock award has a two-year vesting period. Stock will be issued and vest as long as the ICON agent remains licensed exclusively with eXp for the duration of the two-year vesting period.

ICON Event Attendance Stock Awards Requirements:

ICON agents have the opportunity to earn a stock award of up to an additional **\$4,000** worth of EXPI common stock in the month following attendance of eXp approved events; a stock award of **\$2,000** worth of EXPI common stock will be issued for each event attended.

Due to the nature of date changes within events, we encourage all who have intentions of, or are tracking towards, earning ICON status to attend ALL events. Failure to do so could result in the inability to achieve full stock earnings in the ICON Program. Events credit is issued based on verified attendance at approved eXp events and coordinating achievement of ICON status. Agents cannot receive double credit for one single eXp event.

Should ICON status be earned by a domestic team, the attendance requirement is such that at least one member of the domestic team has verified attendance at each event. For virtual events, domestic team members' participation can be combined to verify attendance.

If the event is in-person, ICONs must purchase the general admission ticket or higher and register onsite at the event to qualify for the event attendance stock awards. If purchased through the official event site, no further action is required. If a ticket is purchased from another agent, please email iconaward@exprealty.net. If the event is held virtually, specific guidelines will be provided on how to qualify for the event attendance stock award.

ICON Event Attendance Stock Award Issuance Plan:

Upon attendance verification, the stock award will be issued at the end of the calendar month following the month of the event with the fair market value, as determined by the closing market price of EXPI's common stock on the trading day that is the 15th day of the month. If the 15th day of the month falls on the weekend or a market holiday, the stock award grant price will be based on the fair market value of the most recent trading day. The ICON Event Attendance Awards do not have a vesting period.

Exceptions-Deviations-Outliers (EDO's)

If an agent has otherwise achieved one or more eligibility requirements to receive an award under the ICON Program, but the eligible agent, through no fault of his or her own or due to extreme or extenuating circumstances, should be unable to fulfill one or more remaining eligibility requirements, alternative eligibility requirements may be provided to such agent; such alternative eligibility requirements must be equal in effort to the requirement being substituted and otherwise compliant with the 2015 Equity Incentive Plan.

ICON Program Frequently Asked Questions

General Program FAQs

How do I sign up to become an ICON Agent?

The ICON Program recognizes agents who meet specific Production Requirements. There is no sign up or opt-in; as long as you meet these requirements you will be contacted by the ICON Team.

When will I be notified that I have achieved the Production Requirement for ICON status?

Agents will be notified by email at their eXprealty.com address before the 25th of the month following achievement of the Production Requirements. Example: If you achieve the Production Requirement in February, you will be considered and recognized as a March ICON. You would be notified of your achievement before the 25th of March.

When will I be recognized publicly as an ICON?

ICON agents will be recognized in an article on life.exprealty.com, eXp's website for agent news, towards the end of the month after achieving ICON status. In addition, they will be highlighted at the Friday Leadership Meeting and on Workplace.

How do I track my ICON Status?

Refer to [this document](#) to self-track your ICON status using Enterprise.

Can I apply production at my former brokerage to eXp Realty to help me achieve ICON status?

No. Our ICON Agent Award is a production award that must be earned here at eXp Realty. Production completed at a former company does not apply to the requirements for the award.

Can agents that are buyer-representatives be ICONs?

Yes. The Production Requirement to become eligible for ICON status is to pay the full Company Dollar cap amount (currently \$16,000) plus the \$5,000 transaction fee cap, regardless of whether an agent represents sellers as a listing agent, or represents buyers as a buyer-representative.

When do I satisfy the Cultural Commitment requirement of "Giving Back"?

While an ICON is in an active ICON Cultural Benefit Year, they have the ability to earn an additional \$4,000 in EXPI common stock by giving back to eXp's agent population and thereby satisfying the Cultural Commitment requirements.

Transactions, Fees, & Capping FAQs

If I am on a reduced Company Dollar Cap, can I be an ICON Agent?

No. Agents on a reduced Company Dollar Cap are not eligible to earn the ICON Agent Award.

Can I pay the Company Dollar Cap upfront so I can become an ICON faster?

No. Every agent must contribute 20% of their Gross Commission Income per Transaction until the agent reaches their Company Dollar Cap. Agents are not able to pay more Company Dollar on a

Transaction, nor can they pay Company Dollar out-of-pocket.

Can I pay the balance owed for the \$5,000 Capped Status Transaction Fee cap if I don't meet that requirement prior to my Cap Reset Date?

It depends. This is a production award. Generally, an agent may not pay out-of-pocket for the balance of Capped Status Transaction Fees owed to meet the \$5,000 Capped Status Transaction Fee cap. Production must be met organically. However, an agent may pay out-of-pocket for the balance of Capped Status Transaction Fees owed to meet the \$5,000 Capped Status Transaction Fee cap when that agent has met or surpassed \$500,000 in GCI with a minimum of 10 transactions, as more fully described below.

I have met or surpassed \$500,000 in GCI and have a minimum of 10 transactions. Can I pay the balance owed for the \$5,000 Capped Status Transaction Fee cap to reach ICON status?

Yes. If an agent has met or surpassed \$500,000 in GCI and has completed a minimum of 10 transactions, then that agent may pay an ICON Qualifying Fee. Payment of an ICON Qualifying Fee is only to enable an agent to qualify as an ICON agent - it is not intended to, and will not, move an agent to a Capped Status. The Capped Status Transaction Fee will continue to be collected at the stated rate until \$5,000 has been collected, at which time it shall be collected at the reduced rate of \$75 per Transaction for the remainder of that Agent's Capping Period.

In what situations would I want to pay the ICON Qualifying Fee?

There are a few factors that could influence your decision such as your Cap Reset Date, what your ICON Qualifying Fee would be, and the company's stock price.

Example: Agent surpassed \$500k in GCI and has closed 10+ transactions by the month of June. Agent's Cap Reset Date is August 1 and the agent's Capped Status Transaction Fees paid as of June 30 are \$3,600.

In this case, the agent has two options:

1. Pay the \$1,400 ICON Qualifying Fee to be recognized as a July ICON, continue to pay Capped Status Transaction Fees until the agent's Capping Period resets on 8/1.
2. Choose to wait and see what the ICON Qualifying Fee would be at the end of July and be recognized as an August ICON if they do not hit the \$5k in Capped Status Transaction Fees as of 7/31.

What fees are included for ICON purposes?

In the ICON Program, we look at total Capped Status Transaction Fees paid during the agent's Capping Period. We do not differentiate based on the source of the Transaction. If an agent has paid Capped Status Transaction Fees, those fees are counted for ICON qualification purposes. We do not set or apply fees, we merely report on them. For specific questions regarding your fees beyond what we have outlined, please reach out to your Payment Processing team.

Can I elect to pay the full Capped Status Transaction Fee on a transaction if I haven't received the full

commission?

No. Capped Status Transaction Fees are split in direct proportion to the commission split. If you split the commission 50/50, you will pay half of the fee. If you receive a 30% referral from another eXp agent, you will pay 30% of the fee.

If I represent both sides of a transaction do I pay the full \$250 Capped Status Transaction Fee for each side of the transaction?

Payment of a Capped Status Transaction Fee applies to each side of a Transaction closed by an agent in a Capped Status, unless the Agent is in a “One eXp Agent, Two Transaction Sides” transaction (defined below), in which case the Agent is charged only one Capped Status Transaction Fee per Transaction, not per Transaction side. The term “One eXp Agent, Two Transaction Sides” means a dual agency transaction in which one natural person represents a buyer and seller in the same transaction.

Do Personal Transactions count towards ICON production?

Yes.

How Much Is The Personal Transaction Fee?

The Personal Transaction Fee amount is as follows: (i) a purchase Transaction or sale Transaction will carry a \$250 Personal Transaction Fee (in addition to the Transaction Review Fee and Risk Management Fee); and (ii) a lease Transaction will carry a \$75 Personal Transaction Fee and either, (a) no Transaction Review Fee or Risk Management Fee (if the GCI is \$1,000 or less), or (b) a Transaction Review Fee and Risk Management Fee (if the GCI is greater than \$1,000). The Personal Transaction Fee is taken as a charge against the agent’s Contractor Dollar. No Company Dollar is paid on Personal Transactions. If an agent is in a Capped Status, the agent will pay the Capped Status Transaction Fee.

What fees are included in the Fees Paid section on my Dashboard in Enterprise?

The fees paid on your dashboard are all agent fees paid in a transaction which include Transaction Review Fees, Risk Management Fees, Personal Transaction Fees, etc. This amount is not a representation of your ICON status.
