

HARBOR NEWS

JR. EDITION | P.S. 676 & Harbor Middle School

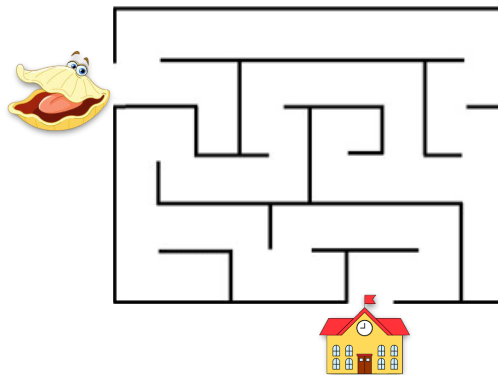

Been there, Seal That!

PS 676 has a new mascot! This is the captain of the Harbor Seals. It was designed by Cassidee, one of very our own six grade students.

What is Harbor News Jr.

Harbor News Jr. is a school newsletter with the mission of being a relevant source of information for younger grades. We believe even young learners should have a good source of information and a news source they can trust: The Harbor News Jr. team is here for you! If you are interested in having your work featured on next month's newsletter please see Ms. Juliana.

**Can you help
Lenny the
Oyster get to
school?**

FUN FACT ABOUT SEALS

Seals prefer cold water.

DID YOU KNOW?

The largest seal is 8,800 pounds...
thats one big seal!

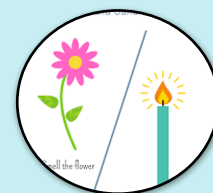

Question of the Month!

What is your favorite winter activity?

Guiding Light of the Month:

Self management helps you make the right choices in difficult moments. Let the light remind you to stop, think and breathe!

Calming Tip of the Month:

Smell the rose, blow out the candle.

Field Trip Highlights

DID SOMEBODY SAY CHICKEN?

Last Month, the second grade class took a field trip to the Red Hook Farms! They learned about plants, they fed chickens, and even tried some of the plants growing there. It looks like it was an amazing time! Thank you second grade for sharing!
