Who we are

Radiant Care Services Ltd is a domiciliary care provider based in Surrey supporting adults to live indepentdently in their own homes. We have a breadth of experience in delivering the highest standards of care through a client based approach. Our Staff are vetted and trained to bring you the best care inline with your needs and in due consideration of your choices.

Why us

Radiant Care Services fulfils your support request by delivering you the best care possible according to your chosen plan.

Our specialist staff always listen and act in your best interest to ensure you are supported and cared for to your satisfaction.

The Care Package you receive is a result of a careful consultation process with you and/or your loved ones to assess your situation and design a support plan that suits you and meets your needs.

We are regulated by the Care Quality Commission and subscribed to the UK Carers Association.

What our customers say:

"Taking Fr. Mike out of the residential home for coffee and his monthly visit to cousin Katie have greatly uplifted his wellbeing. Thank you."

"Thank you to the Radiant team for the fabulous care and encouragement you gave to my auntie during her last days here with us. Your support through that trying time is really appreciated."

"Thank you to the RCS carers who brought a smile to mum's face everytime they came in to her. Your support as mum's dementia progressed was trully awesome. Thank you for your patience and understanding"
