## Vision

Our vision at SNS Designs is to continuously enhance our reputation as the foremost, cutting-edge Project Management & Design Build organization. We aim to serve our clients with clarity, positivity, and unwavering commitment to delivering unparalleled quality of service. Through smart, innovative solutions, we strive to sustain our leadership position in the industry.

# WHAT WE DO

---

## PROJECT MANAGEMENT

SNS Designs project management service encompasses every step of the often complicated process involved in interior design, construction and renovation, we will listen to your needs and manage the project from initiation to closure

## DESIGN SERVICES

Great design encourages thought collaboration and increased productivity. Our in-house designs provide an unparalleled bespoke service - working with you to meet your needs

## DESIGN BUILD SERVICES

We offer a “Single point of Contact” to the client for the complete range of services including design, Project Management and execution of large scale corporate & residential interiors, construction and renovation services.

## CONSTRUCTIONS

Our construction service covers the entire spectrum of complex construction processes. We attentively listen to your requirements and oversee the project from inception through completion.

## PROPERTY TRANSACTIONS

Our property transactions team offers specialized real estate services to clients seeking increased value by owning, occupying and investing in real estate

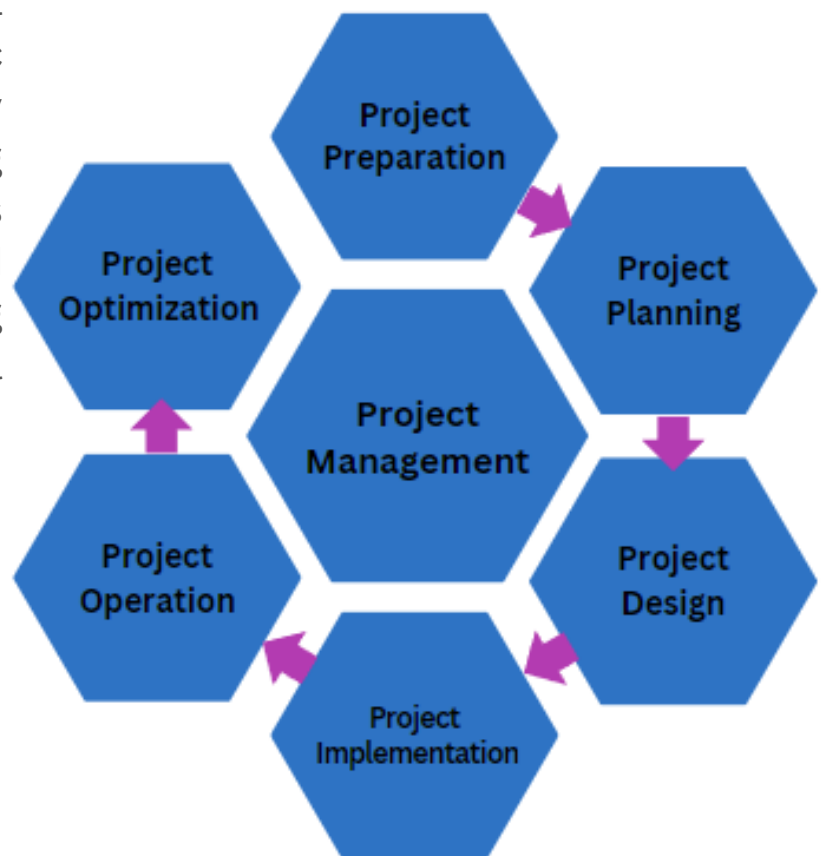

# PROJECT MANAGEMENT SERVICES

---

Our project management services at SNS Designs streamline every aspect of your project, from initial concept to final execution for added value. We prioritize understanding your unique requirements and guide the project through planning, coordination, execution, and closure. With meticulous attention to detail and a commitment to exceeding expectations, we ensure a successful outcome for every project.

Our team possesses the essential tools, a robust network, and a strong customer service ethic necessary to approach every project with meticulous planning and coordination. This ensures we consistently meet and exceed client expectations, delivering successful outcomes across all endeavors

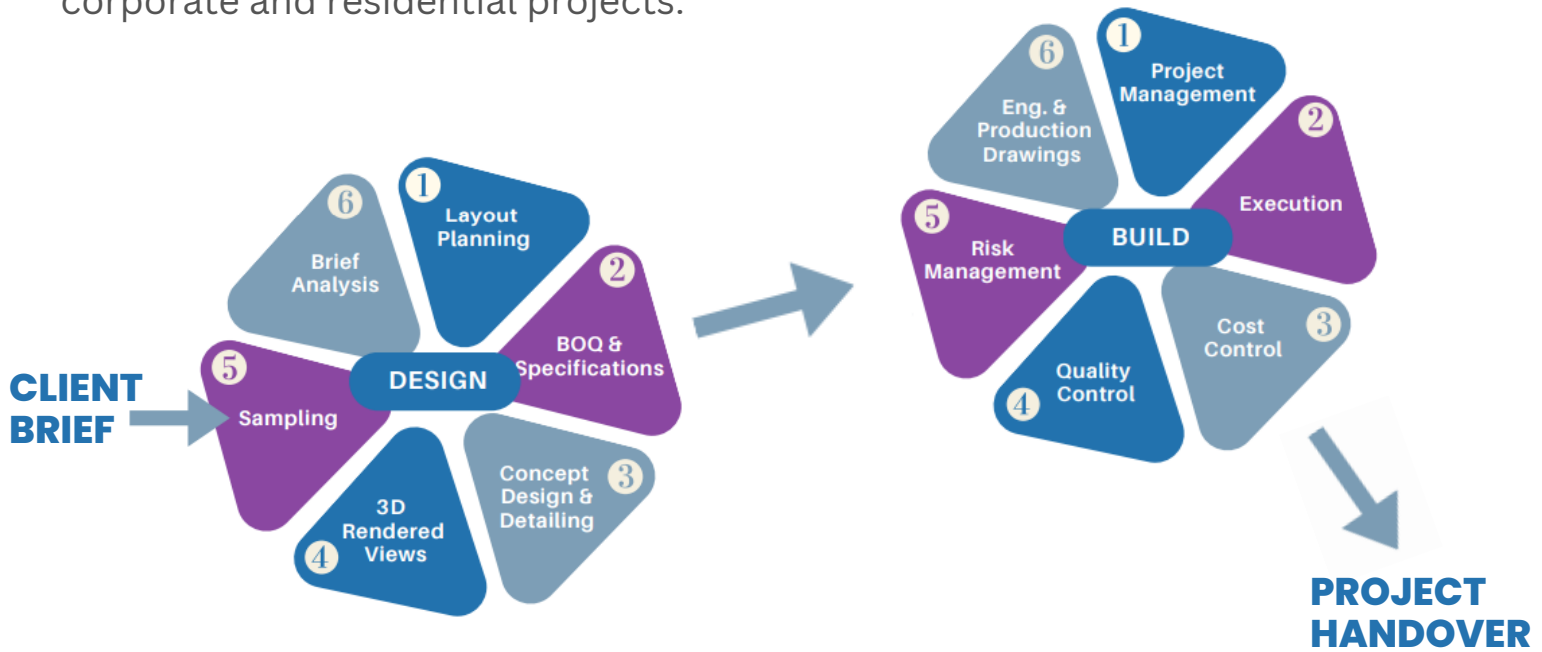

## SERVICE PORTFOLIO

# DESIGN BUILD SERVICES

We offer a single point of contact to our client for the complete range of services including design, project management and execution of large scale corporate and residential projects.

## TRADITIONAL METHOD

## DESIGN BUILD METHOD

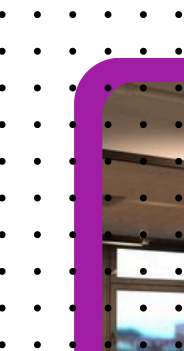

# DESIGN SERVICES

At SNS Designs, we specialize in tailored design services for residential, commercial, and corporate interiors. Our dedicated team of experienced designers collaborates closely with each client, ensuring personalized attention and meticulous planning from concept to completion.

With a commitment to creativity and functionality, we prioritize innovative solutions that align with client preferences and project goals. Leveraging our extensive industry knowledge and a strong network team of designers, we deliver comprehensive design plans that exceed expectations while maintaining budgetary considerations.

Whether you're renovating a home, designing a retail space, or planning a corporate environment, SNS Designs is committed to transforming your vision into a reality that reflects your unique style and enhances your space's functionality.

Partner with us to create inspiring interiors that leave a lasting impression.

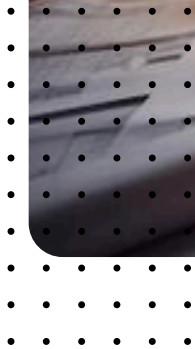

# CONSTRUCTION SERVICES

---

Our construction services are designed to simplify, ensure transparency, and deliver reliability. We specialize in end-to-end design-to-build construction solutions, managing projects comprehensively from inception to completion. Operating on a turnkey basis, we prioritize real-time tracking, open communication, rigorous quality checks, and continuous project updates from day one until the keys are handed over.

Our approach guarantees high-quality outcomes and transparency throughout every stage of construction, with a zero-tolerance policy for delays.

Whether you're planning a new construction, renovation, or undertaking residential and commercial projects, we are committed to realizing your vision with precision and efficiency.

# PROPERTY TRANSACTIONS

---

Our transactions team is a professional service offering specialized real estate services to clients seeking increased value by owning, occupying and investing in real estate. We are passionate about real estate and we want to take it to even greater heights. We want to be exceptional. Our team includes well experienced dedicated and professional, Executives to meet any type of real estate requirements the client demands today.

We make recommendations based on current real estate market conditions, retail climate, trends, competition and analysis of the future evolution of retail market.

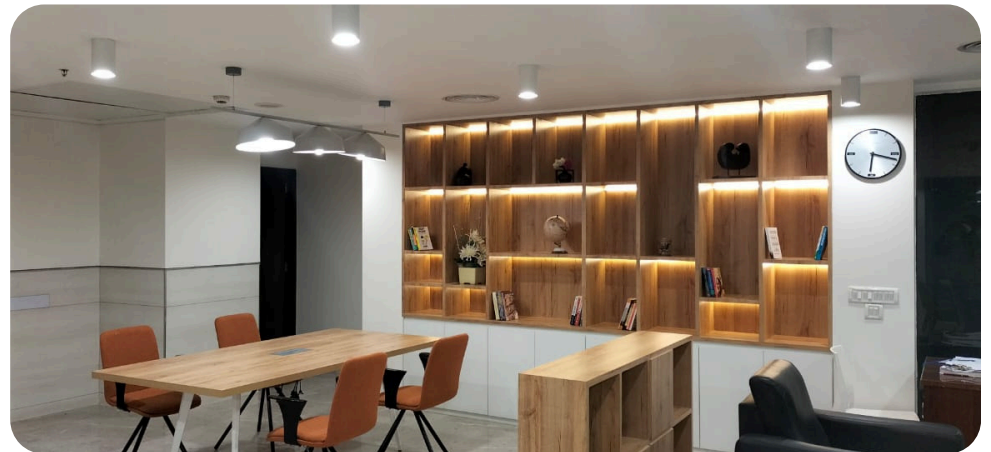

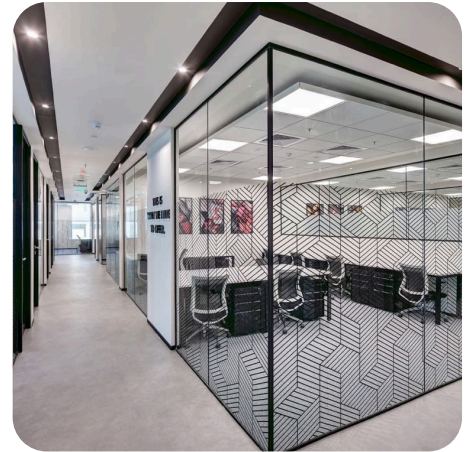

We serve clients locally, regionally and internationally whether our clients ' real estate needs converge on a single market or take them to a range of global destinations. Our professionals stand ready to provide integrated transaction and management services
