

Refund Policy

Our supporters are essential to the Village Walk for Cancer Research (hereafter “WFCR”) charitable organization. When we receive your donation (financial or gift item), it will be used to grant money to local organizations doing critical cancer research or cancer-related projects. As such, donations are generally not refundable. Please verify the accuracy of your donation because we can’t refund donations if you made an error or change your mind. Requests for a refund will be handled on a case-by-case basis after analyzing the specific circumstances of that donation.

Information contained in this policy may be updated as needed. The current policy effective date is December 5, 2022.

Donation & Refunds

The WFCR may consider but not obligated to refund a donation upon receipt of a refund request. Specific considerations like those listed below may justify a refund:

- An error was made by the WFCR
- If the donation was made by someone else using your stolen or lost credit card
- An error was made regarding the specific amount of the donation
- Event related donations such as registration fees are not refundable.
