- 1.5% interest is added monthly to your outstanding balance

Discount Option, Pay More & Save up to \$2,100

- Pay ten to fifty percent and receive a discount equal to the amount of your initial payment.
- Make a minimum monthly payment of one hundred dollars towards your balance
- 1.5% interest is added monthly to any outstanding balance

% Down	\$ Down	\$ Discount	Total Fee Before Interest	Balance After \$ Down and \$ Discount	First Month Interest*
Full Fee Financing Example					
5	210	0	4,200	3,990	59.85
Discount Option, Pay More & Save Examples					
10	420	420	3,780	3,360	50.40
20	840	840	3,360	2,520	37.80
30	1,260	1,260	2,940	1,680	25.20
40	1,680	1,680	2,520	840	12.60
50	2,100	2,100	2100	0	n/a

*After the first month, the amount of interest added will depend on how much you pay for your monthly installment. The minimum installment payment you must make each month is \$100 however we suggest that you pay an amount equal to or above the amount of interest added. By doing this both your balance and monthly interest charge will decrease each month.
