- 1.5% interest is added monthly to your outstanding balance

Discount Option, Pay More & Save up to \$6,300

- Pay ten to fifty percent and receive a discount equal to the amount of your initial payment.
- Make a minimum monthly payment of one hundred dollars towards your balance
- 1.5% interest is added monthly to any outstanding balance

% Down	\$ Down	\$ Discount	Total Fee Before Interest	Balance After \$ Down and \$ Discount	First Month Interest*
Full Fee Financing Example					
5	630	0	12,600	11,970	179.55
Discount Option, Pay More & Save Examples					
10	1,260	1,260	11,340	10,080	151.20
20	2,520	2,520	10,080	7,560	113.40
30	3,780	3,780	8,820	5,040	75.60
40	5,040	5,040	7,560	2,520	37.80
50	6,300	6,300	6,300	0	n/a

*After the first month, the amount of interest added will depend on how much you pay for your monthly installment. The minimum installment payment you must make each month is \$100 however we suggest that you pay an amount equal to or above the amount of interest added. By doing this both your balance and monthly interest charge will decrease each month.
