To all to whom these presents shall come, be it known;

**This Notice and Declaration begins the Lawful enforcement of Ex Parte Milligan by The Virginia Assembly, unincorporated;** The Virginia Jural Assembly has Justices and Jurors in place to hold a Grand Jury and The Living Court of and for the people;

We are men and women standing as the People for The Virginia Assembly, unincorporated, and we operate and orchestrate our lives on the original Land and soil Jurisdictions on Virginia; we uphold and administer the unincorporated State of the Union (1776); one of fifty (50) nation-states comprising The Federation of States (*The United States of America, unincorporated*); we are the Lawful Self-Governing Body on Virginia which arises from an assembly of the Living people; we abide by the Highest Law and the Universal Principles of Free Will and Honor;

We are pleased to inform you that we have the Provenance, standing and status to provide American Common Law Living Courts of superior Concurrent General Jurisdiction on Virginia; these Living Courts of Record are populated and utilized by the Living people; they **hold supremacy over all courts of inferior, limited jurisdiction as stated in the Constitutions**; our Courts are now fully operational and will determine any issue or claim that presents evidence of factual harm and/or trespass against the people on Virginia; we consider the facts of any individual case and the Law itself; we hold the power to nullify foreign "law" implemented on our Land and soil and any law, legal statute, municipal code or "executive order" that is unjust, unlawful and/or harmful to our true nature as the Living people and our right and ability to live a life without corporate servitude and enslavement by foreign governments and courts;

**This is a Declaration and Invocation of the Supreme Court ruling known as Ex Parte Milligan 71 U.S. 2 (1866)**; Americans are not subject to the Military Doctrine of foreign, incorporated governmental service providers nor foreign Administrative courts and are owed the Law of Peace (Law of Peace DOA PAM 27-161-11956); let it be known that the application of Military Tribunals, foreign/administrative courts and foreign law (under duress and non-disclosure) to address the American people when American Common Law courts are operating and available is outside your constitutional allowances and is criminal; it is to your benefit to familiarize yourself with the content of this Court Ruling as you are accountable both in your private and public capacity for acting under Color of Law;

This Notice serves as official documentation and evidence that Virginia's American Common Law Living Court system will adjudicate the affairs of all living men and women, recorded as American State Nationals, American State Citizens and Virginians by demonym of their nation-state, who conduct their lives and maintain and hold their property on the Land and soil jurisdictions; these are the courts created by, and owed to, the Living men and women of our nation-states and their progeny, as demonstrated and established by our founding documents and Public Law; our Living courts are now in service to the American people and **we will be utilizing the public court houses already established on Virginia**; please begin the process of informing those with current access and "permission" to use these facilities, that our presence will be imminent and peaceful;

We require all Courts, Agencies, Government Services Corporations, NGOs and all incorporated entities, companies and organizations who are currently enabling harm to the Living people through deception, non-disclosure, and unconscionable contracts, to expediently and honorably accommodate all forthcoming Directives from The Virginia Assembly; we will commence the review and revocation of unjust corporate law and rulings that have been imposed upon the people without their consent or knowledge through legal fictions and implied contracts; your cooperation is mandatory;
