**Announcements:**

1. **WE NEED MORE RECORDING SECRETARIES!!!!** We will start using the Global Family Group for Recording.
2. If you want to be included in the FOCUS meetings, usually Mondays at 5p, contact me. Here we do the actual work and brainstorming. It is one of the most important committees driving this Assembly forward.
3. Need someone to step into New Inquiry – Steve Warden has just gotten started helping Cheryl.
4. Minutes are now on the Website – we need to start using the Website as a more “info-centric” platform. The most recent 15 Jural and Assembly meeting minutes are on the website. Anything earlier you must get from the Secretary.
5. Sign In America training – EVERYONE is REQUIRED to take this!!!!
6. Federation Intel? New ID Cards coming (updates for International jurisdiction: Autograph, issue/expire date, address). Identity Theft – report to IG of USPS, and Liening the Defacto (July 21<sup>st</sup>) Updated Credential Cards, see below (August 25th). Nothing past 2 weeks. Traffic Stop: Here is a section from the minutes of one of The Idaho Assembly meetings:

**"There have been some misconceptions with traffic stops; he reiterates the do's and don'ts; the first thing to do when stopped is ask "what is the emergency and how can I help?". If there is no emergency you calmly say "well that's interesting, because your emergency flashers on; are you aware that it is a felony to utilize emergency flashers in Idaho (KBM's note: I don't think this applies in Virginia. I've tried to find the statute to no avail.....) if there is no emergency?". Smile, be kind and cordial. They will say "license and registration". Calmly put your palm out holding your credential card and insurance card, and nothing else; you do not hand it to them, you allow them to take it from your hand (which is an important distinction); Be accommodating but not over eager. If they say "there's no registration or license" you say "well, what indication do you have that I'm functioning in commerce?" They'll usually come back with some sort of retort. Just smile be cordial, and say "well, I don't know what premise you're operating under, but here are my credentials, and here's my proof of insurance; is there anything else?". And that's all; if they write you a ticket, smile and say "thank you very much". The biggest issue that people have been getting into is trying to argue or claim their status, which isn't going to get you anywhere. If they give you a ticket, make sure within 72 hours you send an endorsed version of that ticket back "accepted for full satisfaction and accord". Make sure you include a certified copy of your fee schedule. That is why it is important to make sure your fee schedule is recorded on the de facto. The time to get your fee schedule is not after something has happened. If it's not provided at the time, it's not going to be useful. Optimally, if you do have a certified copy of your fee schedule, you can provide that at the same time as the traffic stop by handing it to the privateer. Additionally, you can obtain**

their business card (which is a very important thing to do). It's critical to film the entire encounter, from the moment the stop begins until it's over. If they comment on it, you just ask them if they are wearing a bodycam; if the answer is yes, then there shouldn't be any issue. You're just "making sure the interaction is filmed for the safety of both parties". Aside from that, after the ticket is endorsed, send it to the address on the ticket along with your certified copy of fee schedule, and if you want, a cover sheet explaining who you are and your status; you can include a copy of your credential card. And that's it. If it does go to court, record a certified copy of your 928's into the court docket. At that point, things should be dismissed fairly quickly."

#### New Business:

## **1. Committee Reports**

**Jural Assembly, Lorrayne – For Jural Education we are now meeting once a month, and doing education every other week, “What is a Juror?” (check the calendar under “Public Square”). These are not mandatory, but it is highly suggested that everyone attend. This way we will know how our government is intended to run so when we are called to duty, we can act. Steve Just’s sister passed away a week ago and he will be taking care of his mother for a few weeks.**

**Jural Court and Document Process Committee, Randy – We met and discussed citizen’s arrest or not but at this point it is too much for ASNs to grasp. We will move into criminal court process tomorrow night and will look at Ohio’s process. We need to try and establish the committee of safety for Virginia. How to treat one another, a neighbor watch program.**

**Vetting/Elections Committee, Randy – We met Friday and vetted Aaron Ashanti and we are moving him forward in the election process of Public Notary. The election will be in 30 days. We will shift from vetting to elections over the next couple of weeks. We need to start putting together our State and county elections processes.**

**Notice and Claims Committee, Cheryl and Steve are working on the Sheriff’s notice. Kevin Russell and she made a nice flyer for the Gretna meeting. Training will be in the morning, and the afternoon will be for public outreach.**

- 2. Governor's Invite (update). We had a second letter going out to the Governor. Lorrayne said it went out Thursday or Friday because it was in reference our proposed 9/11 meeting. She also posted an email to them but did not telephone them. She suggests we continue to notice the Governor on all the things we want to see our service providers do or not do. The International Business Assembly will meet this week.**
- 3. Sheriff notices? Cheryl and Steve are keeping a list of what is sent....we also need Delivery Confirmation.**
- 4. Legislature Notice (update). KBM wants to get this and the Justice Notice out first.**
- 5. Justice Notice (update). KBM said we printed out both notices and obtained wet autographs. Beth and Lorrayne did a Zoom call and affirmed the documents. Beth will record and publish them on the LRO. We have previously discussed and agreed that the recording secretary can witness autographing on a Zoom call. Our court processes will also be virtual, but every effort should be made to have them in person. We are not doing electronic, AI, autographs, though, ours are wet ink autographs. Every autograph on the recent notices were witnessed by a living man and woman. KBM will print out the notices this weekend and begin stuffing envelopes.**
