America Lives!!

Declaration of Freedom, Standing and Peaceful Intent

With our feet firmly grounded upon the Land and soil of our nation-states, in full communion with Natural law and holding and expressing our inherent, Natural and Unalienable Rights, the men and women of Virginia have come to know what is true regarding the Governance Structure that is intended for the people as stated in our Founding Document, The Unanimous Declaration of Independence (1776). We see that the American Governance has been replaced with the rogue, corporate British Territorial and Roman Municipal U.S. “Governments” and their incorporated subsidiaries/franchises and successors.

Therefore, we have each declared, upon the Public Record, our standing as American state nationals of the republican states and have cleared the fraud, deception and presumptions of implied status as U.S. Citizens, citizens of the United States, or that we were otherwise enslaved or subject to corporate policies. We are Virginians at Peace, and we are enlivened and empowered in our Inherent Rights and Freedom. We embrace our Public Duty and responsibility to administer our State for the benefit of all people. We live by four simple precepts: Do No Harm, Be in Honor, Act in Kindness, and Leave Life Better. We invite you to join us and spread the word!

Greetings from The Virginia Assembly,

If you are in receipt of this message, it is our discernment that your intentions are for the preservation of Life and mankind. We ask that you take a moment to engage with the information herein as it is imperative, clarifying and it provides partial remedy for the current global situation. We invite you to embrace this information not only for yourself and your benevolent endeavors, but for the benefit of all people within the reach of your voice and presence.

Yes, there are a plethora of words herein, yet these are words of great importance. If you lack the time to read this entire message, please visit the following websites to observe the workings of the Lawful American Government, missing in action since the “Civil War” and now standing and running our individual nation-states as intended by our Unanimous Declaration of Independence (1776).

We have discovered that U.S. Citizens are not Americans but are U.S. British Territorial citizens in perpetual service to the British Monarch, that “Pope” Francis is not Pope and “King” Charles III is not a King but a Roman Emperor, that BAR attorneys are foreign agents on our American soil, that “humans” are not mankind and that different versions of our good names are used to enslave and manipulate our lives and estates.

We have learned that bio frequency, sound and light technology are being weaponized and used to hijack our biofield, life force, minds, emotions, consciousness, and physicality. We are witnessing the deployment of a multifaceted biological weapons system disguised as Regenerative Medicine and celebrated as Bio-Digital Convergence. This is deployed against the global population and all living systems and includes metamaterials, nanotechnology, biosensors, quantum computing and Artificial Intelligence that utilizes and overtakes the biofield of man as a cloud storage and routing network (see WBAN – Wide Body Area Network and, PBAN – Personal Body Area Network, MBAN – Medical Body Area Network). This is all done without consent of the people under the secrecy of “National Security” and many other unlawful acts of the criminal “elite”. Let it be known that **we do not consent** to the manipulation of our very God given Essence!!

We know that political status has nothing to do with politics but is a necessary declaration of Honor, standing and jurisdiction during this time of upheaval and change. Americans and people of other nations have been removed from the Land and soil jurisdictions and are unknowingly, through further deception on the orders of our “leaders”, operating in sea jurisdiction (Maritime and Admiralty) systems and courts. Claiming, declaring, and recording (on a Land Recording Office) your birthright political status is a vital part of the necessary action in the Now and declares your alignment with Life and the living and not the destruction thereof.

American History was completely removed from our public school system by 1974 and we were left with only U.S. History. This leaves the population uninformed, without identity and blinded to the true nature of current events. Indeed, we are paying for the facilitation of our own destruction by our own ignorance and alignment with harmful ideologies that are not in alignment with what is true or with the love that lives in the hearts of most people.

The people hold special concurrent General Jurisdiction as the intended custodians and keepers of the Earth in all her multidimensionality and we do so with our feet firmly placed upon the Land and soil of our nations in full communion with Natural Law and holding and expressing our inherent, Natural and Unalienable Rights. On paper and in the minds of the deluded “elite”, the Land and soil jurisdictions of nations worldwide have been forcibly, and under non-disclosure, vacated of Living Souls. Each jurisdiction (soil, **Land, Air, Water**) has its own **LAWs** and the living people belong on the Land and soil but have been seeking recourse and are drowning in Sea Jurisdiction courts, which by their nature can only deal in a fictional realm. True theater and no remedy can be found in these courts or any part of this global, fictional system of “authority”.

The honorable people of America are reinstating the missing American Common Law Courts for our nation-states and are populating the vacant Lawful Public Offices of the Lawful Governance structure of the people, by the people and for the people of each state of The Union.

Each of the 50 nation-states has a standing General Assembly known collectively as **The American State Assemblies (TASA)** and this is the foundation of Lawful, Organic Governance in America. We are taking action to bring remedy for the Living people through reconstruction and restoration, by Lawful means, of our organic American Governance structure which has been missing in action for over 160 years. We, the people/People, are the unincorporated, Lawful American structure for Governance on each of the several states of The Union. We are men and women who stand in Honor, Integrity, Peace and Love for our nation, our country and for our brothers and sisters at home and abroad.

The Federation of States d.b.a. The United States of America, unincorporated (1776) has collaborated with The Global Family Group to create a unique global prosperity system, a bi-lateral, blue-dot banking system substantiated by the recent partial recoupment of American and global assets that were purloined, again, by our “leaders” who ultimately serve Britain and the Roman Catholic Church and hold no allegiance or love for America or anything other than their own twisted self-interests. Each man or woman may reclaim their birthright inheritance and political status as a national of their country or state and declare (on paper) their return to, and intent to remain on, the Land and soil which is the realm of the Living. We call the people to stand in full recognition and embodiment of their Inherent Rights and Freedom and to begin administering their National Assets and Governance for the benefit of all people.

Let us embrace this inheritance and use it not on mindless and trivial things, but on that which will uplift, enliven, and improve the experience of Life for all people and living systems.

We are restoring and enlivening the Organic Intelligence of our world and dissolving the illusions of the artificial corporatocracy in our minds and hearts. We have declared it to be so on paper, but more importantly, within our souls. We appreciate the efforts of those who bring forth what is true, and we hope to be in collaboration with the honorable people to bring an end to global tyranny. This is the choice point. Choose wisely!

There is much subterfuge afoot. Trump was the “president” of a British Territorial corporation and Biden is the “president” of a Roman Municipal corporation. These are both offices of foreign corporations and are not the actual Public Office of *The President of The United States of America* (head of the Federation – (2) *see numbered items below*), nor even the *President of the united States of America*, our Federal Republic (4) which was dissolved concurrently with the Confederation (3) as a result of the mercenary conflict that we call the “American Civil War”. The “Biden Regime” is not part of the true American Government. Our government does not have political parties, nor can it be incorporated. Washington D.C./ District of Columbia is not the Capitol of our country. Our Capitol has always been in Philadelphia, Pennsylvania. The Federal/U.S. Congress is not the true American Continental Congress. ***The true American Federal government is not and has never been a democracy.*** Democracy is inherently divisive and has no place in the American government. The original, American federal level government (where federal = contract = the Constitutions, of which there are three!) was called the Federal Republic, not the Federal Democracy and the individual Nation-states are republican in nature. Democracy is the structure of the U.S. British Territorial (5) component of the federal governmental structure and has nothing to do with the Lawful, Organic American government. The three branches of the true American government are **not** the Executive, Legislative and Judicial, which are the branches of the British Territorial democracy. The people of America created three "instrumentalities" --- the Union of states, the Federation of States, and the Confederation of States-of-States which are the three branches of the American Government and they always have been.

The men and women of our military and medical establishments have been conscripted into undisclosed foreign military service through licensure and are currently acting in trespass against the people under the direction of the British Territorial trusteeship which are criminal, incorporated, unelected “governmental” entities. The lack of disclosure, deception and lies have left the population vulnerable to predatory and harmful ideologies and agendas. We have been conditioned to look to external authority to guide us through tumultuous times created by those very “authoritative” agents and agencies,

In this current moment, the true republican states, the Federation of States/States of the Union, dba *The United States of America*, unincorporated (2, see below) and the fifty *American State Assemblies* have arisen from externally imposed slumber of “interregnum” of over 160 years and have reclaimed the power, authority and responsibilities granted to “the people” of the several states by our Divine Creator and reflected in our founding documents. (1, see below)

Below are the true foundational components of the American (not corporate U.S.), governmental structure which originally evolved to be a six (6) component, two-tier structure listed in order of descending power:

American Structure:

1. the people, townships, counties, and the states – American; Declaration of Independence (1776)
2. The Federation of States, The American State Assemblies – American;
3. The Confederation – American, ***reconstruction and restoration - in process;***

Federal Structure:

4. The Federal Republic – American, Federal service provider via The Constitution for the united States of America (1787) – ***requires reconstruction and restoration;***

5. the British Territorial - British Crown, foreign Federal service provider via the Constitution of the United States of America (1789), democracy – usurper;
6. Municipal – Pope/Vatican – foreign Federal service provider via the Constitution of the United States (1790), plenary oligarchy/theocracy – usurper;

Per Anna Maria Riezinger, Fiduciary, The United States of America, *“Beginning in 1787, in addition to its own business, the Confederation of States-of States began operating the Federal Republic. The Federal Republic was the American Federal Subcontractor operating under the first, sometimes called "original" Federal Constitution issued in 1787. This Constitution has largely disappeared from view. It is distinguished by its name and the way its name is styled as: "The Constitution for the united States of America" and its date in 1787, and also by the fact that it contains the original Titles of Nobility Amendment ratified in 1819 as the Thirteenth Amendment to the Federal Republic Constitution.*

So now, you have three branches of the American Government, and one American Federal Subcontractor owned and operated by the Confederation of States, doing business as the Federal Republic and also known as the States of America. That's the way it's supposed to be when the whole American Government is functioning:

- (1) The Union doing business as The United States;
- (2) The Federation doing business as: The United States of America
- (3) The Confederation doing business as the States of America and
- (4) the Federal Republic owned and operated by the Confederation of States doing business as the States of America.

To this day, the Confederation and the Federal Republic have yet to be reconstructed. Only the Federation and the Union remain. The powers delegated to both the Confederation and the Federal Republic have returned to the Federation by Operation of Law.” and thus to the people of the counties and States that ultimately form the Federation of States.”

Final Enrollment of Post-Civil War States of the Union

“Be it Enacted by Roll Call Vote of the States of the Union that all States created by contract, purchase, and/or voluntary petition after the year of 1860 be Admitted and Enrolled and Accepted as States of the Union with the full powers and the complete jurisdictions of our States of the Union and further be Admitted, Enrolled, and Accepted as members of our unincorporated Federation of States, The United States of America, effective with the original day of their respective contract, purchase, and/or voluntary petition.”

I, James Clinton, born alive of William de Guilleroi, right-wise king: King of Powys: King of England: King of Normandy: King of Gaul: Head of State for The United States of America, Ninth September 1776: do declare by this flag shown, the United States Civil Peacetime Flag, and by my hand and authority as hereditary Head of State for The United States of America, peace is declared

International Peace Proclamation and Grand Peace Treaty

International Peace Proclamation

Be it known to All to Whom these Presents come: an International Peace Treaty has been established ending all hostilities related to The American Civil War which unofficially began in 1861 with an Executive Declaration issued by then-Territorial President Abraham Lincoln.

Grand Peace Treaty of the States

Insomuch as a mercenary conflict known as The American Civil War was engendered and fought by members of the

Notice Regarding Treaties

This Notice Regarding Treaties is fully incorporated and made part of this Proclamation in Addendum:

Our agreements and treaties with the Lakota Sioux and Athabascan Tribal Nations are not exclusive and do not preclude participation by other Native American Nations. We wish to make it clear that our goal is to create a unified and peace-oriented international government which serves the needs of all Americans.

We honor all sovereign-level treaties among nations, however, we do not recognize so-called treaties entered into by and between incorporated entities and franchises as actual treaties, though they may be called bank treaties, tax treaties, or trade treaties. No incorporated entity has the power to enact agreements obligating the unincorporated United States of America or any member state thereof.

No legislation engaged in by any incorporated State of State or STATE OF STATE federal franchise organization, whether Territorial or Municipal, is binding upon the unincorporated state nor the living people.

We specifically object to the existence and continuance of tax treaties and false claims related to tax treaties entered into by incorporated and franchised Third Parties deceitfully usurping upon our authority under color of law and we call the Holy See to account for continued mis-administration as of 2015, seven (7) years after the Holy See in the person of Pope Benedict XVI was visited and agreements severing these practices were secured.

Confederation of States existing in 1860, and that conflict has been left unresolved, now let it be agreed and declared that this Grand Peace Treaty of the States has been approved by the Owner States and has been established and bound upon these Several Parties by mutual Treaty Agreement among these and among the Several States now existing, and also applies to all Subcontractors and Employees exercising Delegated Powers:

Agreement 1: That all States and all Confederate States now or in future existing agree to an immediate and permanent cessation of hostilities connected in any way to The American Civil War;

Agreement 2: This cessation of hostilities and resulting peace extends on the soil, in the air, on the land, and at sea, and is also an obligation of all those exercising delegated powers on behalf of our States;

Agreement 3: All the States then-existing and existing now, have abolished by Roll Call Vote all forms of slavery and peonage within their borders, within their Territories and Possessions, and within the realm of their intellectual properties, so that no more legal presumptions, exclusions, or suppositions may be used to evade the paramount provisions of our Organic and Public Laws;

Agreement 4: All the States then-existing and existing now, agree via this Grand Peace Treaty of the States to uphold this peace both within and without their borders and to forever end and release the disputes arising from The American Civil War, and to return all States to their natural status and sovereignty as States of the Union without exception and according to the Equal

Footing Doctrine;

Agreement 5: All States now existing agree that the votes of all State Members of the unincorporated Federation of States doing business as The United States of America are now and have remained valid without exception before, during, and after The American Civil War.

Public Law A1010121 – Passed first day of January in the year of 2021

By Roll Call Vote of The United States of America in Assembly

It is hereby declared and recorded as Public Law of The United States of America that no person or Person or PERSON of any kind shall in any respect claim to have any commercial or trade ownership interest in a living man or woman, baby, boy, or girl, by any means at all.

Re-labeling living men or women by the use of other descriptions such as “male” and “female”, or via their acceptance of professional or other titles, or via their enrollment in offices of citizenry or personhood, shall not be used to confer undisclosed obligations upon them, nor shall any such means be used to convert the nature of living people, so as to excuse their abuse as animals or inanimate things.

This prohibition established as Public Law restricts the use of copyrights, trademarks, and patents to establish ownership interests in living things, and in particular forbids the use of patents to create or enforce any commercial or trade ownership interest in living men and women as Genetically Modified Organisms.

The injection or other introduction of patented genetic products or other kinds of engineered products into living people or into their genome, whether this is done voluntarily or under force, shall carry no implications of any ownership interest in the recipient by the patent holder(s) and shall have no commercial value or trade value or use beyond the price of the product or procedure itself, and shall not affect the standing of the recipients as free and independent living men and women owed all natural and unalienable rights.

The interest that each unique man or woman holds in their own gifts and their own biological, intellectual, spiritual, and material assets is unlimited and cannot be abridged, bought, sold, traded, waived, or bartered.

Any corporation(s) or individual franchises(s) promoting any plan to convert living men and women into Genetically Modified Organisms or advancing ownership claims based on the receipt of patented genetic products or seeking to use living people and their assets as collateral based on such claims, shall be subject to immediate and permanent liquidation, stripping of the corporate veil, and prosecution of their officers for crimes against humanity.

This Public Law of The United States of America shall be effective immediately as of the first day of January in the year of 2021 upon final enrollment of concurring votes from the State Assemblies and shall continue in force and be placed upon our Federal Record as Public Law A1010121.

Public Law A1010124 – Passed first day of March in the year of 2024

By Roll Call Vote of The United States of America in Assembly

It is hereby declared and recorded that all indebtedness of the United States of America,

Incorporated and The United States of America, Incorporated, debts of the former U.S.A. Corporation, United States Corporation, and all and any foreign corporations doing business under deceptive names so as to fool people into thinking that these were debts of our nation-states, are debts in fact owed by these corporations to our States and People.

This pertains to the recoupment of all private assets that were unlawfully and illegally used as chattel backing the spending and criminal activities of these corporations from 1860 onward.

These debts are inclusive of, but not limited to, the war debts for the American Civil War, the so-called First World War, Second World War, and all other wars that have in fact been Mercenary Conflicts waged by these criminal corporations using our money and manpower under False Pretenses for their own profit and gain.

We have claimed the entire debt of all these rogue corporations and cured our claim on a global basis and we have foreclosed on them and their 63 central banks including the so-called Global Federal Reserve and all their franchises.

It is our intent to return property to the rightful owners wherever and whenever possible, without causing a cascade of harm to living people; and to otherwise provide for the care, repair, sustenance, education, health, and independence of the people who have been harmed by these corporations and their fraud schemes.

All recoupments and purloined property interests, meaning intellectual and performance property rights (PKIs) as well as physical assets, will be returned to the Office of our Fiduciary for restitution and auditing and return to the rightful owners on a worldwide basis.

For the purposes of this Public Law, including the necessary recoupment actions, we authorize the use of extra-territorial force and administrative support as needed; we are publishing our action as a Public Law so that all people and nations are advised about what has happened and the nature and intent of the actions we are taking on behalf of the living men and women worldwide, who have been the victims of their own public employees and foreign agency personnel and corporations which have impersonated them and their entire countries.

Anyone having information about gold, silver, land, cash, or corporation shareholdings or securities related to The United States of America is requested and required to contact the Office of the Fiduciary; all central banks in receipt of private gold, silver, cash, land, and corporation shareholding assets and any insurance, annuity or security interests related to these corporations, their franchises, or their officials, is requested and required to contact the Office of the Fiduciary.

This Public Law of The United States of America shall be effective immediately as of the first day of March in the year of 2024 upon final enrollment of concurring votes from the State Assemblies and shall continue in force and be placed upon our Federal Record as Public Law A1010124.

Public Law A1010224 – Passed first day of March in the year of 2024

By Roll Call Vote of The United States of America in Assembly

We here declare and record the eternal Maxim of Law that no thing is greater than its Creator and we align our Public Law with this Maxim and declare and enroll it upon our Federal Record, such that no corporation operating on our land and soil or in our names or with any presumption of a public or private interest in us or anything of ours at all, including our Good Names, will be immune to any prosecution for harm done to living people or their property assets and interests.

We expressly and explicitly hold all corporations liable for their activities and the results of those activities. There is and can be no such thing as immunity offered to public or privately held corporations such as the Immunity Legislation signed by Ronald Reagan in 1986 seeming to offer immunity from prosecution to the pharmaceutical industry related to vaccine products and drugs produced by these corporations.

We are not subject to legislation passed by our employees for the purpose of regulating their own operations.

Any enforcement under color of law of their foreign corporation rules, codes, mandates, statutes, and other forms of legislation on Americans or against the rights and interests of Americans is absolutely prohibited.

Likewise, we, their Employers, are not subject to any Executive Orders issued by their Presidents. Executive Orders are limited, again, to the internal workings of incorporated entities and the persons employed by these corporations.

They cannot offer their franchises or any incorporated entity any State Immunity or freedom from liability that they do not possess themselves.

They cannot pretend that we are their employees or dependents and therefore subject to their internal rules, codes, statutes, ordinances, regulations, mandates and other legislated and copyrighted "laws" which they maintain for their own internal purposes as municipal and commercial service corporations and non-governmental corporations (NGOs) working for the service corporations as agencies.

This Public Law of The United States of America shall be effective immediately as of the first day of March in the year of 2024 upon final enrollment of concurring votes from the State Assemblies and shall continue in force and be placed upon our Federal Record as Public Law A1010224.

The men and women of The Virginia Assembly would be grateful for assistance in getting the word to the American people and the people of the world through your outreach. This is a call to the good and loving people to become aware of what has happened and to join us in bringing forth the beauty and peace that is ours to embody.
