Sabrina Wallace at Psinergy on Odyssey was the best source for knowledge and explanation, but she had to pull the channel down. A little more digging is now necessary. Thank you, Sabrina Wallace, for opening my eyes regarding our situation and for substantiating my own knowing regarding the incredible technology that the energetic and physical aspects of mankind is, and that when we are left unmolested, energetically and otherwise, we can move mountains. My eternal love and gratitude! 6/12/25024
