

.... And Welcome To Your Slave Free Life Paperwork Journey!

My given name is Shirley and I for now have volunteered to serve as a Land Recorder for The Virginia Assembly. I am honored to be a part of your journey home (back to the Land and Soil Jurisdiction).

If you haven't already done so, please go to **The American States Assembly Land Recording Office (LRO)** at <https://members.americanstatenationals.us/> and create an account by selecting the banner "Non-Member" "Create Your Member Account". Follow the prompts to establish your account....

While setting up this account, you will be asked to enter the email for your Land Recorder, enter shirleybryantasn@gmail.com and thevirginiacoordinator@gmail.com for your **State Coordinator**; Complete everything else that you can.

Please note: Currently I am receiving documents electronically only and I am also returning them electronically only; I print, stamp and seal them, record and publish to the LRO (Land Recording Office); where they can be verified by the public at [Verification Page – Everify for American State Nationals](#) once this is complete I will return your copies electronically.

The easiest and fastest way to get back home is to complete the **1779 One Pager; 2-Witness Statements; and a copy of your Birth Certificate, however if you can complete all the 928 documents, it is recommended that you do so, if not immediately, as soon as possible.**

You may begin acquire the paperwork from **The American States Assembly (TASA)** website <https://tasa.americanstatenationals.org/correct-your-status/>. Look for the 1779 Declaration and 2 witness statement forms that you can download and fill out. Your witnesses must have known you for a minimum of seven (7) years, also there is a place on the site to have certain documents generated for you. (I have not used this service).

Please select the forms that say for State of State Notary and have your documents notarized at your local bank (usually free), UPS, or Fedex, etc.

Take your time in filling out these forms and double check for accuracy. After notarization, please email your completed forms for review to shirleybryantasn@gmail.com. If you have any questions, prior to sending me your documents, please feel free to contact Tamara Fenichel who is excellent at preliminary review, email her: tlfenichel@gmail.com

Once the forms are reviewed/acceptable; you will receive a cover sheet; you will indicate whether you want to pay the additional \$50, to cover the cost of your credentials cards (recommended); You will also pay the invoice electronically;

Once again I welcome you to this journey; and look forward to your being at home; Peace; Love; and Blessings to you.

Love Wins Always
Shirley
