

## Public Notice of Harm and Accountability

This notice goes out to all Living Beings and is a call to awaken; it arises from Love and a desire for Peace;

we, the men and women on the Land and soil of Virginia, standing as The Virginia Assembly, recognize and enact our Public Duty to inform all men, women, sons and daughters of harm that is intended and occurring on a global scale;

we, the people, are under assault on the orders of national and international incorporated entities, rogue governmental service providers and military personnel, and other malevolent entities;

there is a multifaceted and global effort to subdue, maim and murder the people of the world;

this occurs without the knowledge or consent of the people and is an attempt to gain control of our minds, bodies, emotions, consciousness and planetary resources;

the information that follows has been thoroughly researched and the conclusions are true to the best of our knowledge and belief (see Public Notice of Harm 2023 – Exhibit A at [thevirginiaassembly.org](http://thevirginiaassembly.org));

- military grade frequency weaponry (5G+, HAARP and others), biological toxins, venoms and poisons are being administered in all aspects of our environment;
- DARPA/DOD mind control projects and frequency weapons are being deployed to manipulate and destroy public intellect, critical thinking and to target, murder or otherwise harm the general public;
- incorporated entities such as FDA, CDC, FBI, CIA, FEMA, DHS, WHO, NIH, WEF et alia, are not part of the Organic Government of any nation and are criminal elements of our global society;
- media, medical systems, educational systems, legal/court systems, and governments have been weaponized and are acting against the people;
- covid injections are bio-weapons and are known to kill, maim, sterilize and otherwise harm;
- masks indicate your submission to mind control and propaganda, offer no protection and in fact, cause harm;
- 5G+ is not a communication system but is a DARPA/DOD developed bio-weapons system now implemented on a global scale to create a grid system “kill box” that can precisely target locations and individuals. (patents and evidence of deployment exist for surveillance, mind control, direct energy/beam weapons and more);
- LED lighting is damaging to all biological systems and is an aspect of the 5G+/ Fifth Generation Weapon and Surveillance infrastructure;
- food, air, land and water is purposefully contaminated through chemical and biological weapons and is rendered toxic to living systems;
- there is active destruction of our food supply through arson, contrived maladies in livestock, genetic tampering, pollution and land acquisition;
- geoengineering and weather warfare are being utilized for destructive purposes and global control;

any action that perpetuates the above is an act of treason, genocide and terrorism against the people of Virginia, the men, women, sons and daughters of the world, and all biological systems; if you are participating through direct action or through negligence or ignorance; through “just

doing my job” or “following orders”; it is time to think critically and weigh the consequences of your choices; this is a call to your soul to awaken to the true implications of your action or inaction; silence is no longer tolerable as the evidence of crime is irrefutable;

we call forth all men and women who are knowingly, or unknowingly participating in any of the aforementioned; we call you forth, absent of all titles and labels and hold you accountable as a man or woman and we ask is it your intent to cause harm;

if you are among those acting in ways that are destructive to Life, Freedom and all that is Good and Beautiful, then you are responsible for trespass by way of harm and will be required to provide remedy to the people;

if you have broken the Public Law and the Public Trust, with this notice you are to cease and desist;

we, the people on the Land and soil of Virginia, strive to embody the Divine Order of our Prime Creator, to embody the principles of The Law of One and Universal Law and to uphold the Natural and Public Law; we stand in Love, Honor and Peace, and it is our Public Duty to inform all men, women, sons and daughters of harm that is occurring; and so it is stated on this  
\_\_\_\_12th\_\_\_\_ day of \_\_\_\_\_December\_\_\_\_\_, in the year 2023;

we say here; and will verify at open court; all herein to be true;
