*There was discussion about the 'jab'. AVR has learned that the U.S. military holds all the patents for them and is solely responsible for what is taking place worldwide. AVR and the federation are pursuing remedies. We discussed jab shedding, jabs as frequency weapons, and jabs containing snake venom. Cheryl will send Kevin an email of protocols to counteract the jab and he will forward it to us.

Announcements

1. New Recording Secretary needed!!!! Thank you, Beth Doyle.
2. **Focus** (used to be Steering) **Committee** every Monday at 5pm EST – I will start sending out invites to ALL!!! ALL will get invite and all will get an agenda, beforehand. Any suggestions for a new day/time? We had a short meeting yesterday and discussed a few things.
3. Keeping a "To Do List". Email thoughts, concerns, questions, suggestions to: thevirginiacoordinator@gmail.com. Sorry if I don't respond to all.....
4. Committee Reports (announcements and info). PKTF, New Member Orientation, etc. Marshall at Arms bridge call. Randell said the meeting last Friday was uneventful. He has not yet received the scandisk from the director yet. He sent it registered mail. They are pushing the Marshall at Arms to get positions filled. They want them to be billboards. They want a Marshall in each county. Tennessee supposedly has 8 counties represented. They want us to be more vocal. They want affirmations ready for when the positions are filled. They discussed due process and how the juries render their decisions. AVR suggested that the National Guard stand down and become our militia. The old militia was put into the National Guard. Tamara got an email from Mike Clark. They meet on Tuesdays and Thursdays and she might attend. Some in that group are dead set against AVR. It was proposed that we attempt to arrange an in-person meeting with Mike Clark's group. Kevin, Teodor and Tamara may attend their virtual Thursday night meeting to try and find common ground.
5. Intel from the Federation

6. Anna's Monday night call. The corporations need to come down.
7. We have new Assembly members – who are they! Skipping this tonight.
8. Death of Maryland ASN Richard Antonio Joseph. He was gunned down/murdered Christmas Eve after finishing his security guard shift. He had been given questionable felony weapons charges in the D.C. Superior Court. They searched his car without a warrant and found a gun. He and the MD Coordinator entered into the courts records a UCC-1. They put liens on the case number and this upset the court and judge. Kevin played a 6-minute clip from the Coordinator call (John Sweem) from last Friday. AVR's article #3856 entitled, "The Long Night" demonstrates how Court Bonds – are the true Achilles Heel of the commercial court process. They are committing securities fraud by creating a bond in your name to drag us into their courts. If they do not have a bond against you, they cannot pull into their courts. AVR has articles about this. You can dismiss the case with extreme prejudice. AVR has a strategy to tap into their funds instead of your own. AVR article #1220. "A court order is like an Order for french fries, Okay?" Watch "The Fearless Floyd Show" on Youtube. He "outs" unlawful court clerks and gives outstanding explanations of how to use liens and other paperwork to defend your rights in their courts.

Old Business

1. Vote to adopt minutes from 1/3/22. Bypassing this for tonight.
2. Any more old business? Bypassing this for tonight.

New Business

1. Do we have a Quorum? We are not going to vote tonight.
2. Any members wishing to come into compliance? Troy Frazier, and Lorraine Ham are now back in compliance. Teodor Octavio Graca is now a new member with a signed and recorded member agreement.
3. Banking Chairperson – Scott Severt. Anyone else? We are going to have a banking committee and Tamara wants to be a part. We won't vote tonight.
4. Jural Assembly Vote? (Roger Dallas – researched our March 22, 2022 vote. The video was emailed out March 24, 2022 but it is not part of the public record. At that time the Assembly voted to alternate meetings between Jural Assembly and Virginia Assembly. It was unanimous. Accomack Anna has to release the video so we can verify what Roger Dallas found with 2 or 3 witnesses to prove it. There was a discussion about this matter. In the future we will turn on the Zoom function that will transcribe our meetings so we can keep a written record of what we discussed.

Lorraine intends to resign as Treasurer. She will remain in her role until we get a new office holder.

5. In person meet: Return to Thunder's Farm or other location? Suggestion: late April/early May. At the January 3, 2023 meeting Steve indicated he would ask Thunder.
6. P.O. Box vs. General Delivery (might need to re-visit this.....) General delivery was how things were done on the land and soil in the past, and some Assemblies do this now.

There exist Mattermost postal channels. We may need to un-do our vote and re-vote to have General mail Delivery instead of a P.O. Box.

7. Discuss: Physical location for Recording Books and Assembly Documents – At the Coordinator's House in a Fireproof safe. Secondary Access (Shirley, Steve, Lorraine, Tamara, Scott)
8. Return of the Jural Assembly – we voted on it, but is there a record of the vote? Yes, see above item #4.
9. AVR Monday night from 12/26/22: 1) Claim Estate, 2) hold them accountable – Navy JAG? Lords of Admiralty? **Claim Estate vs. Reclaim Your Securities.**
10. **Open Discussion:** What do we do this year?

To Do List (upcoming future business):

1. Material from Teodor
2. Material from Hassan
3. Injunctions: https://www.youtube.com/watch?v=b_CXYUR-tFU
4. Common Law Wills
5. Can Teams (or some other “device”) maintain a “To Do” list?
6. Continued update of the Rules of Order and Conduct?
7. Teams vs. Zoom for meetings? (write up by Lorranye Ham to be provided later.....)
8. Business Cards for Position holders?
9. Affirmations for each Position (what content? How? What is involved?)
10. **Jural Assembly to return January 2023?**
11. Discussion on new Website.

The meeting ended 8:28 p EST

Tamara made first motion to adjourn and Shirley seconded.

No abstentions, no nays, all voted “yes”. It was unanimous.

The next Virginia Assembly meeting will be held Tuesday, January 17, 2023, at 7:00p EST.
