7. Anna's Monday night call. **We NOW have transcripts – on One Drive!**

A Universal Self -Governance course is being held on Sundays at 4p EST. They have met twice. Kevin will send us the email. MOCEE Mutual Offset Credit (debt redemption), Kevin has added a folder in our Drive explaining how to do this process. It is the most up-to-date, version 11. Militia training is online every two weeks (1/28 most recent meeting), go to Mattermost Militia Channel for the training meetings. They are recorded. They are looking for volunteers. Kevin did a MOCEE process regarding 2017 taxes the IRS pestered him, but since his MOCEE process he has not gotten any more letters so far. Tamara sent one out in December and another in January. Reg Z, MOCEE process is because (12 USC 95A) the Federal Government promised to pay our bills after they took our gold. We are making a stand. A former process was successful for awhile until they shut it down. Now we are doing it as a group. We are including another category of peoples, TRUSTEES, they are in charge of the account. There are 21 different areas across the U.S. We are area #4 and it includes VA, WV, NC and SC. We do not expect to be successful in the early phase, but it has great potential going forward. We are supposed to send an additional letter (928's) to the Executive Trustees to tell them to leave us alone. Our estates get charged when they come after us. They are supposed to take us out of the Public Charitable Trusts. The first thing the Assemblies want to do is contact the Trustees in the area and notify the Secretary of State explaining all the exemptions we are due as Americans. The Litigation Committee is formulating these documents. Kevin is considering doing it personally in the next several weeks. We should notice the Trustees and then immediately ask them what we need to do to make the MOCEE process a success.

8. Teri's Notice Package – on One Drive. She is using these in her court case. There is a folder in Drive, called Teri's Notice, with documents for you to refer to.
9. Google One Drive for shared documents – Email me for ACCESS!!!
10. 64 GB Scan Disk: done.....about to put on Google Drive (25\$ per year). There is 59 GB of material ranging from militia training, what herbs to grow, children's homeschooling, how to hunt for deer, etc. Kevin wants to put it on Google Drive so everyone can access it.
11. In-person meet. Thoughts? Late April, early May? Kevin will get a head count in the next few weeks. Thunder Lane said the farm is available.
12. Q&A after meeting (cut main meeting off at 8:30)
13. Kevin needs to put Sally in contact with the Recorder Trainer. Tamara is also undergoing the training.

Old Business

1. Vote to adopt minutes from 1/31/23. We will put this vote off until next week.
2. Any more old business? None

New Business

1. Do we have a Quorum? Skipping it for this week.
2. Any members wishing to come into compliance? No
3. Open Mic: Suggestions for what is needed/wanted. The future of Virginia? Venting/concerns?

Tamara explained the purpose of this segment of the meeting. Kevin has done a fabulous job of establishing a good foundation for the Assembly.

Scott said meeting in person with people can be very productive. He created a business card to try and recruit people. He sent it to Kevin and others.

Troy has heard that same day passport service at the State Department is working for some people. He may do a training. He recommended to take someone with you, because if the government lies to you, you have an emoluments case against them.

Randy has written a 500-word article and is submitting it to his local newspaper. He wants Appomattox County to lead our efforts. He will share it with Kevin.

Teodor said since 2013 the FBI has been distributing to sheriffs around the country about the oxymoron "Sovereign Citizen". There is no such thing. There are 4 articles about this on Paul Stramer's website (see link below) #223, 244, 284 and 3263.

Paul Stramer, Lincoln County Watch, he posts all of Anna Von Reitz' articles at:

<http://www.paulstramer.net/2023/>

Tamara is trying to improve the website and would like help on it. Perhaps she can speak with other state assembly websites to get tips.

Chris Dunlap is a visitor to our meeting. He read about the strawman on the internet and he wonders why everyone isn't doing what we are doing.

Previous coordinator had a concept of clusters, she divided Virginia into 13 clusters and encouraged us to meet with one another within the same cluster.
