Federation Intel? – From the Sunday Night Coordinator’s call: Read AVR article #4966. AVR has made a Due Notice of Insurance Claim and Process against all insurance policies Barclay’s, Lloyds of London, The Bank of England, the Bank of Scotland, the bank of the Holy See, Global Federal Reserve, World Bank/IBRD, Bank of America, Social Security Administration, and the Bank for International Settlements.

6. New ID Cards coming (updates for International jurisdiction: These include autograph, issue/expire date, address). Identity Theft – report to IG of USPS, and Liening the Defacto (July 21st). Traffic Stop: Here is a section from the minutes of one of The Idaho Assembly meetings:

Idaho Assembly suggests (verify with your own state): "There have been some misconceptions with traffic stops; he reiterates the do’s and don’ts; the first thing to do when stopped is ask “what is the emergency and how can I help?”. If there is no emergency you calmly say “well that’s interesting, because your emergency flashers on; are you aware that it is a felony to utilize emergency flashers in Idaho (KBM's note: I don't think this applies in Virginia. I've tried to find the statute to no avail.....) if there is no emergency?”. Smile, be kind and cordial. They will say “license and registration”. Calmly put your palm out holding your credential card and insurance card, and nothing else; you do not hand it to them, you allow them to take it from your hand (which is an important distinction); Be accommodating but not over eager. If they say “there’s no registration or license” you say “well, what indication do you have that I’m functioning in commerce?” They’ll usually come back with some sort of retort. Just smile be cordial, and say “well, I don’t know what premise you’re operating under, but here are my credentials, and here’s my proof of insurance; is there anything else?”. And that’s all; if they write you a ticket, smile and say “thank you very much”. The biggest issue that people have been getting into is trying to argue or claim their status, which isn’t going to get you anywhere. If they give you a ticket, make sure within 72 hours you send an endorsed version of that ticket back “accepted for full satisfaction and accord”. Make sure you include a certified copy of your fee schedule. That is why it is important to make sure your fee schedule is recorded on the de facto. The time to get your fee schedule is not after something has happened. If it’s not provided at the time, it’s not going to be useful. Optimally, if you do have a certified copy of your fee schedule, you can provide that at the same time as the traffic stop by handing it to the privateer. Additionally, you can obtain their business card (which is a very important thing

to do). It's critical to film the entire encounter, from the moment the stop begins until it's over. If they comment on it, you just ask them if they are wearing a bodycam; if the answer is yes, then there shouldn't be any issue. You're just "making sure the interaction is filmed for the safety of both parties". Aside from that, after the ticket is endorsed, send it to the address on the ticket along with your certified copy of fee schedule, and if you want, a cover sheet explaining who you are and your status; you can include a copy of your credential card. And that's it. If it does go to court, record a certified copy of your 928's into the court docket. At that point, things should be dismissed fairly quickly."

New Business:

1. Committee Reports

PKTF, Randy: There was no meeting this past Monday. We continue working on loss of communications plan, difficult labor laden portion, scouting for rally points for regions and clusters.

Marshall at Arms, no update

Vetting Committee, no update

Court Document Committee, We are meeting 8/14. Last week we finished the mediation phase, are 75-80% done on the living court portion, and will next work on the living jury part, which should not take long. There is a bridge between civil and criminal court a la citizen's arrest. We will list things out. If anyone is demonstrating violence and not being kind, we need training on how to do a citizen's arrest to make that jump from civil to criminal.

Notice and Claims, Cheryl and Steve are working on the initial draft to notice the corporate militias of Virginia. She is working with Louise's project, is focused on the Danville event, and hopes to have more programming for the attendees. Someone from each Pillar should speak. She will call a meeting to help with the planning of that in two weeks.

- 2. Governor's Invite (update).** Lorrayne has contacted the Governor via email, USPS and called several times. No reply yet. We want to meet with him on September 11.
- 3. Sheriff notices?** Cheryl is keeping a list of what is sent....we also need Delivery Confirmation. Completed in May, autographed at our In Esse meeting. Others have sent out other notices, KBM will send his out soon.
- 4. Update the Bevin's Declaration for meetings?** Read our current one 3 times or adopt the one from the Thursday night Coord. training. Discuss. For now, we stick with shorter version, and the full version goes on website.
- 5. Legislature Notice (update).** KBM stated that he has been tasked with doing final updates to Legislature and Justice notices #5 and #6. Both have been voted on and adopted. He needs to add all the tracking numbers for the recipients. He has them now. Some post offices either won't give them out (tracking #'s) or don't have them. Today he finally got a booklet of tracking #'s. He will complete both, hopefully by tomorrow and will send to Lorrayne to Shirley for autographing and witnessing. They will then be sent to Randy or Steve. First by international business assembly then by other witnesses.
- 6. Justice Notice (update).** (see #5 above)
- 7. Lorrayne's meeting with Ohio Chairman.** Lisa is her name.

8. T-shirts! Lorrayne will update us later.
9. Updated Credential Card process. You should have received an attachment on this meeting's invite. We held a discussion. When the situation arises (customer service, business transaction, etc.), Randy recommended to first show your credential card so people become familiar, then second (if necessary) your passport card, and lastly your VA state license. KBM said all we can do for most people we interact with is to "plant a seed" in their minds that ASNs exist.
10. Danville, Virginia meetup – October 20th (Sunday) We reserved an American Legion facility (cost \$150), Patty sent a \$50 deposit. For the public, the program starts around 2p.
